**AARP Essential Premier Health Insurance Plan is the brand name used for products and services provided for AARP members by Aetna Life Insurance Company through an Association Group Agreement. In some states, individuals may qualify as a business group of one and may be eligible for guaranteed issue, small group health plans.**

Health insurance plans contain exclusions and limitations. Aetna receives rebates from drug manufacturers that may be taken into account in determining Aetna's Preferred Drug List. Rebates do not reduce the amount a member pays the pharmacy for covered prescriptions.

Investment services are independently offered. Providers are independent contractors and are not agents of Aetna.
