Colorado law requires carriers to make available a Colorado Health Plan Description Form, which is intended to facilitate comparison of health plans. The form must be provided automatically within three (3) business days to a potential policyholder who

has expressed interest in a particular plan or who has selected the plan as a finalist from which the ultimate selection will be made. The carrier also must provide the form, upon oral or written request, within three (3) business days, to any person who is interested in coverage under or who is covered by a health benefit plan of the carrier.

A copy of the Colorado Network Access plan can be provided upon request.

**Payments -** Network providers agree to accept amounts negotiated with Humana as payment in full. The member is responsible for any required deductible, coinsurance, or other copayments. Plan benefits paid to non-network providers are based on maximum allowable fees, as defined in your policy.

Non-network providers may balance bill you for charges in excess of the maximum allowable fee. You will be responsible for

charges in excess of the maximum allowable fee in addition to any applicable deductible, coinsurance, or copayment. Additionally, any amount you pay the provider in excess of the maximum allowable fee will not apply to your out-of-pocket limit or deductible.

Network primary care and specialist physicians and other providers in Humana's networks are <u>not</u> the agents, employees or partners of Humana or any of its affiliates

or subsidiaries. They are independent contractors. Humana is not a provider of medical services. Humana does not endorse or control the clinical judgment or treatment recommendations made by the physicians or other providers listed in network directories or otherwise selected by you.
