If these services or admissions are not precertified, the member may be responsible for an additional financial penalty stated above or, if the service is not medically necessary, 100% of the cost of the services.

This is not a contract. It is intended solely to provide you with an overview of the plan. Complete details of benefits, terms and exclusions are governed by your Group Contract. This managed care plan may not cover all your health care expenses. Read your contract carefully to determine which health care services are covered. If you have questions call us at 866.874.2624 in Central/Eastern Pennsylvania, and 866.874.2624 in Western Pennsylvania and Ohio.			
HealthAmerica and HealthAssurance pay nonparticipating providers an out-of-network rate, which is the rate paid to medical providers in a geographic area for a specific medical service. In addition to your copay or coinsurance, you are responsible for paying nonparticipating providers the difference between our out-of-network rate and their actual charge for nonemergency services. Your out-of-pocket costs for nonemergency care from nonparticipating providers may be substantial. <i>Benefits are administered on a contract year basis. Coinsurance is based on Eligible Charges as defined by Coventry Health and Life Insurance Company in your Certificate of Insurance</i>			
<i>Dependent Coverage Age Limit is up to 25.</i>			
*If your Schedule of Benefits indicates that you have a Qualified High Deductible Health Plan, you must consult your group benefit documents for a specific description and the terms and conditions of your coverage for these benefits. Also, some covered services that you receive during a preventive service office visit may not qualify as preventive services under the group contract and, consequently, will be subject to applicable deductibles. In order to be exempt from applicable deductibles, preventive services must qualify as preventive services under the group contract and Section 223 of the Internal Revenue Code.			
**Reimbursement for Weight Management programs is limited to \$150 per calendar year per member.
