

Blue Cross and Blue Shield of Texas
(herein called “We, Us, Our”)
PPO Select® Blue Advantage
Preferred Provider Plan providing
Comprehensive Major Medical Coverage
REQUIRED OUTLINE OF COVERAGE

- I. Read Your Contract Carefully.** This Outline of Coverage provides a very brief description of some important features of Your Contract. This is not the insurance Contract and only the actual Contract provisions will control. The Contract itself sets forth, in detail, the rights and obligations of You, Your Physician or Professional Other Provider and Us. It is, therefore, important that You **READ YOUR CONTRACT CAREFULLY!**

Changes in some state or federal law or regulations, or interpretations thereof, may change the terms and conditions of coverage.

- II.** This Plan is designed to provide You with coverage for major hospital, medical, and surgical expenses that You incur for necessary treatment and services rendered as the result of a covered injury or sickness.

Hereafter, Dependent child, child or children means a natural child of the Subscriber, a stepchild, a legally adopted child of the Subscriber (including a child for whom the Subscriber is a party in a suit in which the adoption of the child is being sought), under twenty-six (26) years of age, regardless of the presence or absence of a child’s financial dependency, residency, student status, employment status, marital status, eligibility for other coverage or any combination of those factors. A grandchild must be dependent on the Subscriber for Federal income tax purposes at the time application for coverage to be eligible for coverage under the Contract.

Coverage is provided for the benefits outlined in Paragraph III. The benefits described in Paragraph III may be limited by Paragraph IV.

III. Benefits

We have a network of Providers to serve Participants throughout Texas called the Network. When You use these Providers, You receive Network Benefits. You will receive a Provider Directory listing these Providers when You enroll and at least annually thereafter.

Providers not listed in the directory are called Out-of-Network Providers. When You use these Providers, You will receive Out-of-Network Benefits except in special situations as explained in Your Contract.

- A. Benefit Period** — Your Benefit Period is a Calendar Year (begins January 1 and ends December 31).
- B. Deductibles** — The Calendar Year Deductible will be subtracted once during each Calendar Year from each Participant’s total Eligible Expense. The family Deductible is three times the individual Deductible amount. No Participant will be required to satisfy more than the individual Deductible amount toward the family Deductible amount. The amount of Your Deductibles will be as selected below:

Options		Network Deductibles		Out-of-Network Deductibles	
		Individual	Family	Individual	Family
Plan I	☐	\$250	\$750	\$500	\$1,500
Plan II	☐	\$500	\$1,500	\$1,000	\$3,000
Plan III	☐	\$1,000	\$3,000	\$2,000	\$6,000
Plan IV	☐	\$1,500	\$4,500	\$3,000	\$9,000
Plan V	☐	\$2,500	\$7,500	\$5,000	\$15,000

Plan VI	☐	\$3,500	\$10,500	\$7,000	\$21,000
Plan VII	☐	\$5,000	\$15,000	\$10,000	\$30,000
Plan VIII	☐	\$10,000	\$30,000	\$20,000	\$60,000

- C. **Copayment Amount** – The Copayment Amount will be required for each Physician office visit and emergency room visit. Your Copayment Amounts will be based on the Deductible Plan selected above.

Options	Network Copayment Amount	Out-of-Network Copayment Amounts
<i>Applicable to all Plans</i>		
Physician office visits*	\$25	None
Emergency room facility visit**	\$100	\$100

*Includes same day laboratory (except routine laboratory procedures covered under Preventive Care) and x-ray during the office visit.

**Waived if admitted to Hospital immediately following the visit. *(This Copayment Amount applies to the facility visit only. The facility and Physician services and supplies are subject to the Deductible and Coinsurance Amount.)*

- D. **Preauthorization** — Preauthorization is required for all Hospital Admissions, *Extended Care Expense*, Home Infusion Therapy and organ and tissue transplants. You, Your Physician or Professional Other Provider or a family member must call the toll-free telephone number listed on the back of the Identification Card.

When a Hospital Admission is preauthorized, a length-of-stay is assigned. This Contract provides a minimum length-of-stay in a Hospital for the treatment of breast cancer of (1) 48 hours following a mastectomy, and (2) 24 hours following a lymph node dissection.

Failure to preauthorize will result in a \$250 penalty for Hospital Admissions. A penalty in the amount of 50% not to exceed \$500 will apply to *Extended Care Expense* or Home Infusion Therapy for failure to preauthorize.

- E. **Eligible Expenses** — After the applicable Deductible(s) and Copayment Amounts, if any, are met, Your coverage pays 85% of the Allowable Amount for Eligible Expenses provided by a Network Provider and 75% of the Allowable Amount for Eligible Expenses rendered by an Out-of-Network Provider, subject to other provisions of the Contract. The remainder of these Eligible Expenses becomes “Coinsurance Amounts” and must be paid by You.

IMPORTANT TO YOUR COVERAGE

To pay less out-of-pocket expenses and to receive the higher level of benefits for your health care costs, it is to your advantage to use Network Providers. If you use Network Providers, you will not be responsible for any charges over the Allowable Amount as determined by BCBSTX. What follows is an example of how much you would pay if you use a Network Provider and how much you would pay if you use a non-contracting Out-of-Network Provider. To make the example easier to follow, assume the Allowable Amount is the same. (NOTE: In most cases, however, the non-contracting Allowable Amount will be less than the contracting Allowable Amount, meaning your total payment responsibility will be even greater.)

EXAMPLE ONLY

	In-Network 85% of eligible charges \$250 Deductible	Out-of-Network 75% of eligible charges \$500 Deductible
Amount Billed	\$20,000	\$20,000
Allowable Amount	\$5,000	\$5,000
Deductible Amount	\$250	\$500
Plan's Coinsurance Amount	\$4,037	\$3,375
Your Coinsurance Amount	\$713	\$1,125
Non-Contracting Provider's additional charge to you	None	\$15,000 ¹
YOUR TOTAL PAYMENT	\$963 to a Network Provider	\$16,625¹ to a Non-contracting Out-of-Network Provider
Even when you consult a Network Provider, ask questions about any of the Providers rendering care to you. For example, if you are scheduled for surgery, ensure that your Network surgeon will be using a Network facility for your procedure and a Network Provider for your anesthesia services. ¹ If you choose to receive services from an Out-of-Network Provider, inquire if he participates in a contractual arrangement with BCBSTX. Providers who do not contract with BCBSTX or any other Blue Cross and Blue Shield plan will bill the patient for expenses over the Allowable Amount. Please refer to the section entitled <i>PARPLAN</i> in the Contract.

- B. The premium rates for this Contract are based on the sex and age of the Subscriber, place of residence, certain health conditions or a combination of such health conditions, including but not limited to, whether or not an applicant is a smoker or user of tobacco products, and the number and classification of family members to be included on the Contract. Changes in these factors may result in a change in the premium.

However, We reserve the right to make premium adjustments as necessary thereafter.

4. If both husband and wife are on the same membership, Your premium will be calculated based on the age of each adult.
- C. A Grace Period is provided for each premium payment. The Grace Period will be 10 days for monthly or 31 days for quarterly.
