| <b>Preventive Care Services</b><br>If you receive a non-Preventive Care Service during a preventive care visit, then you may be responsible for the Cost Sharing of the additional non-Preventive Care Service. In addition, if abnormalities are found during a preventive care exam or screening, such as a mammogram for breast cancer screening or a colonoscopy for colorectal cancer screening, then follow-up testing or procedures may be considered non-Preventive Care Services and Cost Sharing may apply. Please refer to the EOC for more information on Preventive Care Services. |                                                                                          |
| Family planning counseling, services and procedures, including preconception care visits (see Endnotes)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | No charge                                                                                |
| Routine preventive immunizations/vaccines                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | No charge                                                                                |
| Routine preventive visits (e.g., well-child and well-woman visits), inclusive of routine preventive counseling, physical exams, procedures and screenings (e.g., screenings for diabetes and cervical cancer)                                                                                                                                                                                                                                                                                                                                                                                   | No charge                                                                                |

### Endnotes:

1. Family Deductibles (when applicable) and Out-of-Pocket Maximums (OOPM) are equal to two times the “self-only” values. In a Family plan, a Member is only responsible for the “one Member in a Family” Deductible and OOPM. Deductibles and other Cost Sharing payments made by each Member in a Family contribute to the “entire Family” Deductible and OOPM. Once the “entire Family” Deductible amount is satisfied by any combination of Member Deductible payments, plan Copayment or Coinsurance amounts apply until the “entire Family” OOPM is reached, after which the plan pays all costs for Covered Services for all Family Members.
2. Cost Sharing for all Essential Health Benefits, including that which accumulates toward an applicable Deductible, accumulates toward the OOPM.
3. Outpatient Prescription Drugs, when prescribed, are Medically Necessary generic or brand-name drugs in accordance with SHP’s formulary guidelines. All Medically Necessary Prescription Drug Cost Sharing, paid by the Member, contributes toward your Deductible, if applicable, and OOPM.

Outpatient Prescription Drugs are available for up to a 30-day supply through a retail Participating Pharmacy. Maintenance Drugs are available for up to a 100-day supply through the SHP’s CVS Caremark Retail-90 Network or through the CVS Caremark Mail Service Pharmacy. Most Specialty Drugs are only available for up to a 30-day supply through a CVS Caremark contracted Specialty Pharmacy. Specialty Drugs are not exclusive to Tier 4 and, regardless of tier placement, have the same fill requirements.

FDA-approved, self-administered hormonal contraceptives that are dispensed at one time for a Member by a provider, pharmacist or other location licensed or authorized to dispense drugs or supplies, may be covered at up to a 12-month supply. For a 12-month supply of contraceptives, applicable Cost Sharing will be up to four times the retail Cost Share.

Outpatient Prescription Drugs are not covered when prescribed by non-contracting providers for non-covered procedures and which are not authorized by a plan or a plan provider, except when coverage is otherwise required in the context of Emergency Services and Care.

4. The "Other practitioner office/video visit" benefit includes therapy visits and other office visits not provided by either PCPs or Specialists or visits not specified in another benefit.
5. The "Family planning counseling, services and procedures" benefit does not include male sterilization services and procedures which are covered under the "Male sterilization/vasectomy services and procedures" benefit listed above. This benefit also does not include termination of pregnancy or abortion-related services which are covered under the "Abortion Services" benefit category listed above.
6. Acupuncture is typically provided only for the treatment of nausea or as part of a comprehensive pain management program for the treatment of chronic pain.

7. Certain medically administered drugs requires Prior Authorization from CVS Caremark and must be obtained from a Participating Pharmacy.
8. The "Outpatient visit (nonoffice visit)" benefit includes, but is not limited to, services such as outpatient chemotherapy, outpatient dialysis, outpatient radiation therapy, outpatient infusion therapy, sleep studies and similar outpatient services performed in a nonoffice setting.

The "Outpatient visit (nonoffice visit)" benefit also includes storage of cryopreserved reproductive materials included in the Standard Fertility Preservation Services benefit. Storage of cryopreserved materials is not a per visit service and is typically billed on an annual basis at the "Outpatient visit (nonoffice visit)" Cost Sharing.

When performed in an office setting, these services are covered under the PCP office visit, other practitioner office visit or specialist office visit benefit depending on which provider administers the service.

9. The "MH/SUD inpatient" benefits include, but are not limited to: inpatient psychiatric hospitalization, including inpatient psychiatric observation; inpatient Behavioral Health Treatment for autism spectrum disorder; treatment in a Residential Treatment Center; inpatient chemical dependency hospitalization, including medical detoxification and treatment for withdrawal symptoms; and Prescription Drugs prescribed in an inpatient setting, excluding a Residential Treatment Center. Refer to the Outpatient Prescription Drug benefit for coverage details for Prescription Drugs prescribed in a Residential Treatment Center.
10. "MH/SUD other outpatient services" include, but are not limited to: psychological testing; multidisciplinary intensive day treatment programs such as partial hospitalization and intensive outpatient programs; outpatient psychiatric observation for Behavioral Health Crisis Services; outpatient Behavioral Health Treatment for autism spectrum disorder delivered in any outpatient setting, including the home; and other outpatient intermediate services that fall between inpatient care and outpatient office visits.
11. Behavioral Health Crisis Services provided to a Member by a 988 center, mobile crisis team or other provider of Behavioral Health Crisis Services is covered regardless of whether the treatment is provided by a Participating Provider or an out-of-network provider. Prior Authorization is not required for this treatment and Cost Sharing will be based on the setting where the Member receives treatment.
12. "Children and Youth Behavioral Health Initiative (CYBHI) school site behavioral health services" include, outpatient non-specialty mental health and substance use disorder services (e.g., psychoeducation, screening and assessments, therapy, case management) provided to Members 25 years of age or younger at a school site, including on-campus, off-campus and mobile clinic locations, when the services are provided or arranged by a local educational agency (LEA) or public institution of higher education (IHE) that participate in the CYBHI Fee Schedule Program. The scope of services can be found in the CYBHI Fee Schedule available on the DHCS website at <https://www.dhcs.ca.gov/CYBHI/Pages/Fee-Schedule.aspx>.
13. Cost Sharing for services with Copayments is the lesser of the Copayment amount or allowed amount.
14. In order to be covered, most non-preventive care medical services require a referral from your PCP. Many of these services also require Prior Authorization by your PCP's medical group or

SHP. Please consult the EOC for complete details on referral and Prior Authorization requirements for all Covered Services.

15. COVID-19 diagnostic and screening tests are covered at no Cost Share when provided by a Participating Provider and at the standard benefit Cost Sharing for the place of service when provided by a non-Participating Provider. COVID-19 vaccines and other preventive services are covered at no Cost Share when provided by a Participating or non-Participating Provider or Pharmacy. COVID-19 therapeutics are covered at no Cost Share when provided by a Participating or non-Participating Provider or Pharmacy.

COVID-19 over-the-counter (OTC) tests with a prescription are covered at no Cost Share when obtained from a Participating or non-Participating Pharmacy. If a member purchases COVID-19 OTC tests from a Participating Pharmacy without a prescription, SHP will reimburse the Member for the cost of the tests, up to 8 tests per month. If a Member purchases COVID-19 OTC tests without a prescription from a non-Participating Pharmacy, reimbursement is limited to a quantity of 8 tests per month and up to \$12 per test.

16. When outpatient benefits have Cost Sharing that includes “deductible waived for 1st 3 non-preventive visits”, the Deductible is waived for the first three non-preventive visits combined.
17. For this Benefit Year, this benefit plan provides eligible Medicare beneficiaries with Prescription Drug coverage that is expected to pay on average as much as the standard Medicare Part D coverage in accordance with Centers for Medicare and Medicaid Services. The coverage is at least as good as the Medicare drug benefit and therefore considered “creditable coverage”. Refer to [Medicare.gov](https://www.medicare.gov) for complete details.
18. When Covered Services are provided by a non-Participating Provider in accordance with the EOC, the Cost Sharing will be the same as Covered Services provided by a Participating Provider.
