Critical illness insurance coverage

- Covered critical illnesses include: life-threatening cancer, heart attack, kidney failure, stroke, coma, coronary artery bypass, loss of sight, speech or hearing, major organ transplant, paralysis and severe burn. The percentage of the benefit paid varies based on the illness diagnosed. Critical illnesses diagnosed in the first 30 days of coverage will have the lesser of a $500 benefit or 10 percent of the amount paid for the condition. Refer to the Certificate of Insurance for complete definitions and diagnostic requirements of each covered critical illness.

- Benefits are reduced by 50 percent when the member turns age 65 and all benefits terminate at age 70.

- The following services are NOT covered under the Balance benefit. For the complete list of limitations and exclusions, please see the Certificate of Insurance. The plan does not provide any benefits for charges, treatment, services, or supplies for, or related to:
  - self-inflicted injury or sickness;
  - suicide or attempted suicide;
  - using drugs;
  - committing a crime;
  - participation in any riot or war; or
  - an illness specifically excluded from the definition of any critical illness.

- Pre-existing conditions: Benefits are not payable in connection with a pre-existing condition during the initial 12 consecutive months the insured person has been enrolled for coverage, including any waiting period for coverage eligibility. A critical illness resulting from a pre-existing condition commencing thereafter will be covered unless otherwise excluded by the Policy. A pre-existing condition means any illness or injury for which an insured person received any diagnosis, medical advice or treatment or had taken any prescription medicines during the 12 months immediately preceding the effective date of the insured person’s coverage under the Policy.

Accident medical expense, accident hospital and accident disability insurance coverages

Benefits available under the Balance packages require membership in Communicating for America (CA). Insurance coverages outlined in this brochure are provided under the Master Group Insurance Policy issued to CA, the master group policyholder. This plan is not considered to be Minimal Essential Coverage as defined by the Patient Protection and Affordable Care Act (ACA). Enrolling in and maintaining a Balance CA membership will not exempt you from the Shared Responsibility Payment (tax) that may apply if you do not have a plan with ACA-compliant coverage.

This brochure provides a very brief description of the important features of the Balance membership plans. This brochure is not a Certificate of Insurance and only the actual certificate provisions will control. The certificates set forth, in detail, the rights and obligations of both the certificate holder and the insurance company. It is, therefore, important that you READ THE CERTIFICATE CAREFULLY. For complete details, refer to the Group Critical Illness Certificate of Insurance (GAO-CI-C-1207-GA), Group Accident Certificate of Insurance (GAO-AI-C-1207-GA), and Group Hospital Certificate of Insurance (GAO-HC-C-1207-GA).

For just a couple of dollars a day, get a helping hand when you need it most.
