ELIGIBILITY

SUBSCRIBER: The Subscriber is a Member in whose name the policy is created, is eligible for benefits on his or her own behalf and not by Dependent status, and who meets the eligibility requirements as a Subscriber, and is a Colorado resident age 18 or older who has no other insurance covering dental procedures.

This policy is effective at 12:00 a.m. on the date of enrollment, and will continue through 11:59 p.m. on the date of termination.

DEPENDENTS: For your dependents to be insured, you will have to pay the required premium for the cost of having dependents on your insurance. Your dependents will be insured only if you are insured.

A subscriber's Dependents may include the following:

- The Subscriber's **lawful spouse**, including **common law spouse, domestic partner, or civil union partner**.
- Newborn Child.
- Adopted Child. An unmarried child under the age of 26 years.
- A **Dependent child** under the Dependent Age Limit of 26 years of age. Eligible children are natural children, stepchildren, those under court-ordered guardianship, adopted children and foster children. A son or daughter of a Subscriber's Domestic Partner or Civil Union Partnership, including a legally adopted individual or an individual who is lawfully placed with the Subscriber's Domestic Partner for legal adoption, or a child for whom the Subscriber's Domestic Partner has established parental responsibility.
- **Disabled Dependent Child.** A Dependent child who reaches the Dependent Age Limit of 26 and who is not capable of self-support because of physical or mental disabilities. The disabilities must have been present when the child reached the Dependent Age Limit. The child must be dependent on the Subscriber. Delta Dental may request proof of disability and dependency each year. Failure to submit such proof will terminate coverage.

No one may be covered as a Dependent and as a Subscriber under this plan. If both parents are covered as Subscribers, children may be covered as Dependents of one parent only.

Benefits for a Dependent Child will continue until the last day of the calendar month in which the limiting age is reached.

Persons in active military service are not eligible Dependents.

Dependents of an eligible Subscriber must enroll within 30 days of the following:

- The date the Subscriber becomes eligible to enroll. The effective date is that of the subscriber.
- The date upon which he or she becomes a Dependent of the Subscriber via marriage, birth, adoption, or placement for adoption. The coverage for such a person shall be effective the first day of the month following the date the person becomes a Dependent.
- If you enroll and have family coverage, a newborn child is covered at birth and coverage continues for 60 days. You have a year to add the newborn to the policy if you pay the premium plus 5 ½% interest. The policy will pick up coverage at any point during the newborn's first year of life.
- The date the Plan is amended to provide Dependent coverage. The Plan becomes effective on the first day of the month following this change.
- The date upon which they lose coverage through another source, if they show proof of loss. (Loss of coverage is any loss due to death, divorce, loss of job, or termination of benefits by the subscriber).

PAYING YOUR PREMIUM

You are responsible for paying premiums. The first premium is due the day we accept your application for coverage. You can pay premiums monthly, semiannually or annually. That time is called a "premium period". Premiums are due on the 27th day of each premium period. If the charge is declined on the due date, we will tell you and you have to take care of paying the premium. If at the end of a 31-day grace period your account is still overdue, we will cancel your coverage.

GRACE PERIOD

Unless not less than thirty days prior to the premium due date the insurer has delivered to the insured or has mailed to the insured's last address as shown by the records of the insurer written notice of its intention not to renew this policy beyond the period for which the premium has been accepted, a grace period of 31 days will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force.

APPEALS AND COMPLAINTS

Internal Appeal Process - First Level Appeals:

A Subscriber may appeal an adverse claim decision within 180 days of the date of the original Explanation of Benefits by writing to:

**Delta Dental
Appeals Analyst
P.O. Box 103
Stevens Point, WI 54481-0103**

A Subscriber may submit additional information in support of the appeal.

Appeals are reviewed by an impartial Provider of the same or similar specialty as would typically manage the case being reviewed. The reviewing provider will not have been involved in the initial decision.

The decision will be sent to the Subscriber with the rationale for the decision. The decision will be made within 15 calendar days for pre-service denials. Post-service decisions will be made within 30 calendar days.

Internal Appeal Process - Expedited Appeals:

Subscribers may request an expedited appeal when the time for a standard review would seriously jeopardize the life or health of the Subscriber, would jeopardize the Subscriber's ability to regain maximum function, or, for persons with a disability, create an imminent and substantial limitation on their existing ability to live independently.

Expedited review decisions will be issued within 72 hours.

Independent External Review:

Where Delta Dental makes an Adverse Determination and the Subscriber exhausts the internal appeals process, the Subscriber has the right to request an external review. Delta Dental will notify the Subscriber of the right, if any, to request an external review after the First Level appeal.

Requests for an independent external review must be in writing. They must include a completed external review request form as specified by the Colorado Division of Insurance. The Subscriber must submit the request within four months of the completion or exhaustion of the internal

appeals process. The internal appeals process is completed or exhausted upon Subscriber's receipt of notice of the adverse determination or upon Delta Dental's failure to comply with Colorado Revised Statutes §§ 10-16-113, 10-16-113.5, or Colorado Insurance Regulations 4-2-17 or 4-2-21.

Subscriber may request expedited external review. All requests must be submitted to:

**Delta Dental
Appeals Analyst
P.O. Box 103
Stevens Point, WI 54481-0103**

A signed consent authorizing Delta Dental to disclose protected health information pertinent to the external review is also required.

Delta Dental adheres to timeframes set forth by Colorado Regulation 4-2-21 in the processing of Independent External Reviews. Within 45 days after the receipt of the request for external review (72 hours for expedited external review), the external review entity shall deliver a written decision to the Subscriber, Delta Dental, the provider, and the Commissioner.
