Non-Selection contacts have no copay but will receive an allowance (\$105 for elective contacts/\$210 for medically necessary).

Adult Vision Covered Expenses

See page 6 for copays and allowances (both network and non-network). Additional details about glasses or contacts:

- Eyeglass lenses coverage includes scratch resistant coating, as prescribed by an ophthalmologist or optometrist; eyeglass frames and their fitting and subsequent adjustments to maintain comfort and efficiency; or
- Elective contact lenses instead of eyeglass lenses and frames; or

How the Vision Program Works

Your out-of-pocket expenses – what you'll owe for vision services – will vary depending on the type of provider you use:

 - Full service – are contracted to provide eye exams and prescription eyewear at discounted rates.
 - Exam Only – are contracted to provide exams ONLY at discounted rates.
 - Dispense Only – are contracted to dispense prescription eyewear ONLY at discounted rates.
- **For Non-Network Vision Providers:** You must pay non-network providers in full at time of service. Then you submit itemized copies of receipts and request reimbursement from UnitedHealthcare Vision Claims department. Your out-of-pocket costs may be higher with a non-network provider.

Change or Misstatement of Residence (Address)

You must notify us within 60 days of changing your residence. Your premium based on your new residence will begin on the first due date after the change. If you misstate your residence on the application or fail to notify us of a change of residence, we will apply the correct premium on the first due date you resided at that residence. If the change results in: lower premium, we will refund any excess; higher premium, you will owe us.

Eligible dependents are your lawful husband or wife and eligible children. Eligible children must be unmarried (and under 26 years of age at time of application).

Effective Date

For an application sent by electronic means, the effective date will be the later of: (i) the requested effective date; or (ii) the day after receipt by Golden Rule Insurance Company (GRIC). For a mailed application, the effective date will be the later of: (i) the requested effective date; or (ii) the day after the postmark date affixed by the U.S. Postal Service. If mailed and not postmarked by the U.S. Postal Service or if the postmark is not legible, the effective date will be the later of: (i) the requested effective date; or (ii) the date received by GRIC.

Health Insurance for Dental Expenses

If a covered person has other dental or health insurance that pays for expenses covered by the policy, we will not make payment until we determine what benefits are first paid by the other policy. Our payment will be reduced by the amount paid by the other plans.

Non-Network vs. Network Providers

Warning: You will pay more using non-network providers for non-emergency services. Non-network providers may bill you for any amount up to the billed charge after the plan has paid its portion. The basis of your benefit payment will be determined according to your policy's non-network provider reimbursement.

Network providers have agreed to discounted pricing for covered expenses with no additional billing to you other than the copayment, coinsurance, and deductible amounts.

You may obtain further information about: 1) the status of providers by calling the toll-free telephone number on your identification card (or at myuhc.com); and 2) information on out-of-pocket expenses by calling the claims number listed on your identification card.

Premium

You will be given at least a 31-day notice of any change in your premium. We will make no change in your premium solely because of claims made by a covered person under this policy.

Reimbursement

If dental services are caused by the acts or omissions of a third party we have the right to be reimbursed to the extent of benefits we paid for dental services, as outlined in the policy.

Renewability

The policy term begins as of the effective date of the policy. You may keep the policy in force by paying us the required premium as it comes due. Your policy auto-renews as long as the premium is paid. However, we may cancel the policy if there is fraud or a material misrepresentation made by or with the knowledge of a covered person in filing a claim for benefits.

Termination

This policy will terminate:

- If you fail to pay the premiums when due, subject to the Grace Period defined in the policy;
- On the date you request;
- If we decline to renew all policies issued on this form with the same type and level of benefits in your state of residence; or
- On the date of your death, if your spouse is not covered under this plan.

Top Dental Insurance Questions

Is a UnitedHealthcare health insurance plan required to get a dental plan?

No. You can apply for our dental insurance without having a health plan. In some states you can add vision insurance (for additional premium) to your dental plan as well.

How do I know if my dentist is in your network? Or, how do I find a dentist that is in your network?

Visit myuhc.com and click "Find a Dentist" under Links and Tools. Select the National Options PPO 30 network to see if your dentist is in our dental network, or find a dentist that's near you. Our dental insurance network offers you the freedom to select the dentist of your choice.

What if my dentist is not in your network?

Our plans work with network and non-network providers. Network dentists accept negotiated rates. Using non-network dentists will cost you more because you are responsible for any remaining amount up to the billed charge.

Our Dental Premier EliteSM plan is best for non-network providers. It pays the reasonable and customary charge. You will owe any remainder up to the billed charge.

What are the differences between dental insurance plans vs. dental discount plans?

Dental discount plans are like using a coupon. It only gives you a certain amount off of certain treatments, and you are limited to the places you can use those dental discount plans. When using network providers, our dental insurance plans will cover cleanings and preventive care at 100% without a deductible,¹ and 70%-80% of basic services such as cavity fillings after a waiting period and deductible are met. Not all dental plan options include coverage for major services. See pages 4-5 for details.

Who gets reimbursed when I start using the dental plan?

Most dental insurance plans reimburse or pay a percentage of your actual expenses. Payment will be made to your dentist for covered services under your dental coverage.

¹ Dental PrimarySM and Dental Primary PreferredSM have a \$25 copay for preventive services.

² Not available with all plans. See pages 4-5 for details.

Where do I mail a dental claim?

Mail to: UnitedHealthcare Dental, PO Box 30567, Salt Lake City, UT 84130-0567.

What are the waiting periods and why are there waiting periods on dental insurance plans?

There is a 6-month waiting period for basic services and a 12-month waiting period for major services.²

If you were to have a crown, for example, you would have a 12-month waiting period, whereas a simple filling would only have a 6-month waiting period. Waiting periods are lengths of time for your policy to be in force before your benefits begin. Many insurance plans enforce some waiting periods, even dental insurance plans. Our plans have no waiting periods on preventive services such as cleanings and X-rays.¹

What services are covered under the dental insurance plan?

Preventive services have no waiting period and include oral evaluations, routine cleanings, and X-rays. Sealants and fluoride treatments are also available for covered persons under the age of 16 years.

Basic services have a waiting period and include simple (nonsurgical) extractions, emergency treatment to ease dental pain, amalgam fillings, resin-based composite fillings, local anesthesia, and general anesthesia, but only for the removal of 7 or more teeth, or in conjunction with oral surgery.

Major services² have a 12-month waiting period and include treatment for diseases of the pulp (including root canals), bone and other tissues supporting the teeth, crowns, inlays, onlays, bridges, dentures, surgical extractions, and periodontal maintenance.

What is the annual maximum on the dental insurance plan?

The annual maximum is the maximum dollar amount a plan will pay toward covered dental expenses per calendar year. The patient is responsible for any charges above the annual maximum. All of our dental plans include a calendar-year maximum benefit per covered person. The amount varies by plan design. See pages 4-5 for plan details.
