2019 Health Plans

PREMERA |  
BLUE CROSS BLUE SHIELD OF ALASKA

Finding the right health plan should be simple.

At Premera Blue Cross Blue Shield of Alaska, our passion is taking great care of our customers. That's why we want to make it simple and easy for you to understand what you get with a Premera health plan.

It all starts with our depth of experience. That's why individuals and families in Alaska have trusted Premera as their health plan for more than 60 years.

What you get

With a Premera health plan, you have our commitment to help make healthcare work better. You also receive:

Access to great doctors and hospitals

Get safe, quality care within our Heritage network.

Preventive care services

No cost to you.

Lower copays and two doctor visits at no cost for some plans

Select a primary care doctor and tell us about it. Then get two no-cost visits and lower copays when you see your selected primary care doctor.

Free 24-Hour NurseLine

Call for advice at any time.

Video or phone consultations with a doctor

Consult with a doctor by phone or online video for a copay as low as \$15. (Some exceptions apply.) This benefit is ideal when it's not easy to visit a doctor's office.

Premera's mobile app

Find in-network care, view your digital ID card, and see deductible and out-of-pocket maximum information with our personalized, easy-to-use mobile app.

Online pharmacy tool

Find your cost for prescriptions.

Find a Doctor tool

Quickly locate doctors and hospitals that are in network, which means you pay less out of pocket.

10 essential health benefits

These important health benefits—like maternity and newborn care, mental health assistance, and outpatient services—ensure you have coverage for the care you need.

Get more

Low-cost fitness center memberships

Get access to 9,000 fitness centers nationwide* for only \$25 a month (plus a \$25 enrollment fee and applicable taxes).

Dental services

Oral health impacts your overall health. That's why we offer:

- **Pediatric dental benefits:**

These are included in our health plans and cover a range of preventive, diagnostic, basic, and major dental services.

- **Adult dental benefits:**

Coverage for adult routine dental care is included in our health plans, except for those plans with health savings accounts.

*This number is based on American Specialty Health's Active&Fit direct program information.

Get to know our plans

Types and networks

As Alaskans, you can select from our Preferred health plans, which are PPO (preferred provider organization) plans. Whether you're seeking care within Alaska or traveling in Washington state, our plans give you access to Heritage, our broadest network of providers, clinics, and hospitals.

Levels

You can select from three levels: bronze, silver, or gold. These levels refer to the plan cost, not quality.

When selecting a health plan, keep in mind:

- Urgent care visits have a set copay. (Excludes plans with a health savings account (HSA).) The amount of the copay depends on the level of your plan, and it's usually cheaper than going to the emergency room.
- Pediatric dental preventive services are covered in full on all gold medical plans. The deductible is waived for pediatric dental preventive services on silver and bronze medical plans. (Excludes plans with an HSA.)
- The following adult routine dental services are covered on bronze, silver, and gold medical plans: exams, x-rays, and cleanings. (Excludes plans with an HSA.)
- You pay the non-participating/outside the service area cost-share for services you get from any provider outside the service area of Alaska or Washington.

Alaska Medical Transportation benefits

Because some Alaskans live and work far from doctors and hospitals, Premera plans include benefits that support you in traveling to get the medical care you need.

- **Medical Access Transportation** reimburses customers for round-trip air or ground transportation to the closest in-network provider for a serious medical condition that can't be treated locally. Transportation outside of Alaska will be limited to Seattle when the closest in-network provider is located in Seattle.
- **Elective Procedure Travel** reimburses customers for certain travel expenses when traveling outside of Alaska for pre-approved elective (non-emergency) surgeries. Transportation outside of Alaska will be limited to Seattle when the closest in-network provider is located in Seattle.

To enroll or find out more

- Visit premera.com.
- Call **877-Premera (877-773-6372)**.
- Talk to a **producer**, a licensed professional also known as an agent or broker.

Depending on your household income, you may be eligible to receive help with part of the cost of your plan. See if you qualify by calling **877-Premera (877-773-6372)**.
