For specifics on these health insurance plans, see the charts beginning on page 5.

- 100% annual routine GYN exam coverage no waiting period, no dollar maximum, and no copay or deductible when you visit a network provider
- Coverage for prescription drugs
- Routine physicals include lab work and X-rays
- 100% coverage on in-network childhood immunizations

- Unlimited doctor's office visits.
- No deductible for generic prescription drugs.

MC* First Dollar Plans

- Freedom from deductibles when you choose an Aetna medical provider.

MC* High Deductible Plans (HSA Compatible)

- 100% coverage in network after your deductible is met
- Lower monthly premiums, high annual deductibles (at least \$3,000 for individuals and \$6,000 for families).
- Can be paired with a tax-advantaged Health Savings Account (HSA).

About HSAs...

A Health Savings Account, or HSA, is a personal account that lets you pay for qualified medical expenses with taxadvantaged funds. You or an eligible family member make contributions to your HSA tax-free, and those dollars earn interest tax-free. Then, when you make withdrawals from your account to pay for qualified health care expenses, they're tax-free, too.

To establish a Health Savings Account...

First enroll in an Aetna HSA-compatible High Deductible Health Plan. Then request HSA enrollment materials by calling 1-800-694-3258 or visiting www.aetnaindividualhsa.com to view and download the materials.

Why Choose an Aetna HealthFund HSA?

- No set-up fees
- No monthly administration fee
- No withdrawal forms required
- Convenient access to HSA funds via debit card or checkbook
- Track HSA activity through Aetna NavigatorTM

The HSA Investment Account allows you a number of different ways to invest for the future, complementing the interest earning HSA Cash Account.

Aetna Advantage Plans for individuals, families and the self-employed are underwritten by Aetna Life Insurance Company (Aetna) directly and/or through an out-of-state blanket trust.

In some states, individuals may qualify as a business group of one and may be eligible for guaranteed issue, small group health plans.

Add Dental PPO Max

With the Aetna Advantage Dental PPO Max insurance plan, you can obtain services from either a participating or non-participating dentist. Participating dentists have agreed to provide services at a negotiated rate for both covered services, as well as non-covered services such as cosmetic tooth whitening and orthodontic care, so you generally pay less out-of-pocket. You also have the flexibility to visit a dentist who does not participate in Aetna's network, though you will not benefit from negotiated fees. Dental is offered only if medical coverage is obtained

Want to cover your children only?

All Aetna Advantage plans are available for children only, which means you can enroll your child even if no other family member enrolls. Coverage includes immunizations, well-child visits, emergency room and dental preventive services (if dental is selected). Note: when an HSA Compatible plan is selected for child only enrollment, an HSA account is not available for the child.

- Maximum applies to combined in and out-of-network benefits.

 Copay is billed separately and not due at time of service. Copay does not count towards coinsurance or out-of-pocket maximum.

 Payment for out-of-network facility covered expenses is determined based on Aetna's Market Fee Schedule. Payment for out-of-network non-facility covered expenses is determined based on the negotiated charge that would apply if such services were received from a Network Provider.

Things you need to know to apply

To qualify for an Aetna Advantage Plan, you must be:

- Under age 64 3/4 (If applying as a couple, both you and your spouse/domestic partner must be under 64 3/4.)
- Under age 19 for dependent children
- Between ages 19 through 22 for unmarried dependent children with proof of full-time student status
- Legal residents in a state with products offered by the Aetna Advantage Plans
- Legal U.S. residents for at least 6 continuous months.

Your premium payments

Your rates are guaranteed not to increase for 6 months from your effective date once you've been accepted for coverage. After that, your premiums may change. Final rates are subject to underwriting review.

Your coverage

Your coverage remains in effect as long as you pay the required premium charges on time, and as long as you maintain membership eligibility. Coverage will be terminated if you become ineligible due to any of the following circumstances:

- Non-payment of premiums
- Becoming a resident of a state or location in which Aetna Advantage plans are not available.
- Obtaining duplicate coverage
- For other reasons permissible by law

Medical underwriting requirements

The Aetna Advantage Plans are not guaranteed issue plans and require medical underwriting. Some individuals may qualify as federally eligible under the Health Insurance Portability Accountability Act (HIPAA) for

special guaranteed issue plans either through private insurers or through the Major Risk Medical Insurance Program (MRMIP) under California laws and regulations.

All applicants, enrolling spouses and dependents are subject to medical underwriting to determine eligibility and appropriate premium rate level.

We offer various premium rate levels based on the known and predicted medical risk factors of each applicant.

Levels of coverage and enrollment

- You may be enrolled in your selected plan at the standard premium charge.
- You may be enrolled in your selected plan at a higher rate, based on medical findings.
- You may be declined coverage based on significant medical risk factors.

Duplicate coverage

If you are currently covered by another carrier, you must agree to discontinue the other coverage before or on the effective date of the Aetna Advantage Plan. Do not cancel your current insurance until you are notified that you have been accepted for coverage.

Pre-existing conditions

During the first 6 months following your effective date of coverage, no coverage will be provided for the treatment of a pre-existing condition unless you have creditable prior coverage.

A pre-existing condition is an illness or injury for which medical advice or treatment was recommended or received within 6 months preceding the effective date of coverage.

All You Need to Know About Easy-Pay

Simple Automatic Payments via Electronic Funds Transfer (EFT)

Registration: Complete the payment section of the Aetna Advantage Plans application. Select the EFT option to approve the automatic withdrawal of your initial premium and all subsequent premium payments.

Invoices: You will not receive a paper invoice when you are enrolled in EFT. Payments will appear on your bank statement as "Aetna Autodebit Coverage."

Terminating: To terminate EFT, you will need to provide Aetna with 10 days written notice prior to the date your next EFT payment will be deducted. Without this written notice, your bank account may be debited for the next month's premium. You will then need to contact Aetna to have funds placed back in the checking account.

Refunds: To process an EFT refund (placing money back in member's checking account), Aetna will require at least 5 days after the withdrawal was made to ensure valid payment.

Rejected transactions: If the EFT payment rejects for any reason, Aetna will automatically terminate the EFT and send you a letter saying you will receive paper invoices. Processing time to reinstate EFT will be 30–60 days. If an EFT payment is rejected, you will need to pay that payment by paper check or credit card.

Timing: Payments for Cycle 1 accounts (1st of the month effective date) will be taken from your bank account between the 3rd and the 10th of the month the premium is due. Payments for Cycle 2 accounts (15th of the month effective date) will be taken from your bank account between the 18th and 23rd of the month the premium is due.
