### **These Are Only the Highlights**

This summary contains highlights only and is subject to change. The specific terms of coverage, exclusions and limitations including legislated benefits are contained in the Summary Plan Description or Insurance Certificate. This plan is insured and/or administered by Connecticut General Life Insurance Company, a Cigna Company.

Rates will vary by plan design including the amount of plan deductibles, coinsurance, and out-of-pocket maximums. Rates may vary based on age, geographic location, and the plan and plan deductible selected.

Medical rates are guaranteed for a rating period of twelve months effective when the insurance policy is issued with the exception of any policy amendment activities, such as any benefit changes, switching to a different plan, adding or dropping dependents and moving to a different rating area. Eligibility for medical rates is based upon residential zip code. After the initial guarantee for medical rates, rates are subject to change upon 60 days notice.

These rates are the Cigna standard rates. Enrollment in a Cigna Open Access, Open Access Value or Health Savings Plan is subject to medical underwriting guidelines established by the health plan, and your rate may vary based upon tobacco usage and the results of the medical underwriting risk assessment process. You may be declined coverage because of a health condition (this does not apply to Child-only policies). If you are issued a policy, and are 19 years of age or older, certain medical conditions may not be covered for a specified length of time if those conditions are related to a medical condition that existed prior to the date of coverage.

This medical insurance policy (CAIND2012) has exclusions, limitations, reduction of benefits and terms under which the policies may be continued in force or discontinued. For costs and additional details about coverage, contact Connecticut General Life Insurance Company at 900 Cottage Grove Road, Hartford, CT 06152 or call 1-866-GET-CIGNA.
