<u>Important Note</u>: This form is not a contract, it is only a summary. The contents of this form are subject to the provisions of the policy, which contains all terms, covenants and conditions of coverage. Your plan may exclude coverage for certain treatments, diagnoses, or services not noted below. The benefits shown in this summary may only be available if required plan procedures are followed (e.g., plans may require prior authorization, a referral from your primary care physician, or use of specified providers or facilities). Consult the actual policy to determine the exact terms and conditions of coverage. Coinsurance and copayment options reflect the amount the covered person will pay.

<sup>&</sup>lt;sup>1</sup> "Network" refers to a specified group of physicians, hospitals, medical clinics and other health care providers that your plan my require you to use in order for you to get any coverage at all under the plan, or that the plan may encourage you to use because it may pay more of your bill if you use their network providers (i.e., go in-network) than if you don't (i.e., go out-of-network).

<sup>&</sup>lt;sup>2</sup> "<u>Deductible Type"</u> indicates whether the deductible period is "Calendar Year" (January 1 through December 31) or "Benefit Year" (i.e., based on a benefit year beginning on the policy's anniversary date) or if the deductible is based on other requirements such as a "Per Accident or Injury" or "Per Confinement".

<sup>&</sup>lt;sup>2a</sup> "<u>Deductible"</u> means the amount you will have to pay for allowable covered expenses under a health plan during a specified time period (e.g., a calendar year or benefit year) before the carrier will cover those expenses. The specific expenses that are subject to deductible may vary by policy. Expenses that are subject to deductible should be noted in boxes 8 through 31.

<sup>&</sup>lt;sup>2b</sup> "Individual" means the deductible amount you and each individual covered will have to pay for allowable covered expenses before the carrier will cover those expenses.

<sup>&</sup>lt;sup>2c</sup> "Family" is the maximum deductible amount that is required to be met for all family members covered and it may be an aggregated amount (e.g., "\$3,000 per family") or specified as the number of individual deductibles that must be met (e.g., "3 deductibles per family")

<sup>&</sup>lt;sup>3</sup> "Out-of-pocket maximum" means the maximum amount you will have to pay for allowable covered expenses under a health plan, which may or may not include the deductibles or copayments, depending on the contract for that plan. The specific deductibles or copayments included in the out-of-pocket maximum may vary by policy. Expenses that are applied toward the out-of-pocket maximum should be noted in boxes 8 through 31.

<sup>&</sup>lt;sup>4</sup> <u>Medical office visits</u> include physician, mid-level practitioner, and specialist visits, including outpatient psychotherapy visits for biologically based mental illness.

<sup>&</sup>lt;sup>5</sup> Well baby care includes an in-hospital newborn pediatric visit and newborn hearing screening. The hospital copayment applies to mother and well-baby together; there are not separate copayments.

<sup>&</sup>lt;sup>6</sup> <u>Prescription drugs</u> otherwise excluded are not covered, regardless of whether preferred generic, preferred brand name, or non-preferred.

<sup>&</sup>lt;sup>7</sup> "Emergency care" means all services delivered in an emergency care facility that are necessary to screen and stabilize a covered person. The plan must cover this care if a prudent lay person having average knowledge of health services and medicine and acting reasonably would have believed that an emergency medical condition or life or limb threatening emergency existed.

<sup>&</sup>lt;sup>8</sup> Non-emergency care delivered in an emergency room is covered only if the covered person receiving such care was referred to the emergency room by his/her carrier or primary care physician. If emergency departments are used by the plan for non-emergency after-hours care, then urgent care copayments apply.

<sup>&</sup>lt;sup>9</sup> "Biologically based mental illnesses" means schizophrenia, schizoaffective disorder, bipolar affective disorder, major depressive disorder, specific obsessive-compulsive disorder, and panic disorder.

<sup>&</sup>lt;sup>10</sup> Waiver of pre-existing condition exclusions. State law requires carriers to waive some or all of the pre-existing condition exclusion period based on other coverage you recently may have had. Ask your carrier or plan sponsor (e.g., employer) for details.

THIS GRANDFATHERED PLAN NOTICE FOR INDIVIDUAL PLANS is provided to you in connection with Rocky Mountain Health Plan ("RMHP") plan materials, as required by the Patient Protection and Affordable Care Act ("Affordable Care Act") and related regulations.

This plan is available to both grandfathered and non-grandfathered individual health plans under the Affordable Care Act. Grandfathered health plans are individual health plans in which an individual was enrolled on March 23, 2010, and which maintain grandfathered status in accordance with Affordable Care Act regulations. Your individual health plan may be a grandfathered health plan under the Affordable Care Act. Your Evidence of Coverage will state if the carrier believes that your individual health plan is a grandfathered health plan.

As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your Evidence of Coverage may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing (although most grandfathered RMHP plans provide coverage for preventive services without cost sharing). However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to RMHP at 800–453–2981, option 4. You may also contact the U.S. Department of Health and Human Services at www.healthreform.gov.

<sup>&</sup>lt;sup>11</sup> <u>Grievances.</u> Colorado law requires all plans to use consistent grievance procedures. Write the Colorado Division of Insurance for a copy of those procedures.
