Consumer Health Insurance Plans 2018

For people in Maryland who buy their own insurance
Welcome

Thank you for considering CareFirst BlueCross BlueShield and CareFirst BlueChoice, Inc. (CareFirst) for your health care coverage. As the largest health care insurer in the Mid-Atlantic region, we know how much you and your family depend on us for your health coverage. It's a responsibility we take very seriously, as we have with your parents, grandparents, friends and neighbors.

We created this book to help you research and choose the plan that best suits your specific needs. For 2018, CareFirst offers the following plans:

- BlueChoice HMO Young Adult $7,350*
- BlueChoice HMO HSA Bronze $6,550**
- BluePreferred PPO HSA Bronze $6,550**
- BlueChoice HMO Silver $3,500
- BluePreferred PPO Silver $3,500
- HealthyBlue HMO Gold $1,000
- HealthyBlue PPO Gold $1,000

When you choose us as your health insurer, you are protected by the nation's oldest and largest family of independent health benefits companies. For over 80 years, we have provided our community with health care coverage and are committed to being there when you need us for many years to come.

If you have any questions as you read through this book, visit us at carefirst.com/individual or give us a call at 800-544-8703, Monday–Friday 8 a.m. to 6 p.m. and Saturday, 8 a.m. to noon.

Sincerely,

Vickie S. Cosby
Vice President, Consumer Direct Sales Distribution and Communications

*Available to individuals under the age of 30. Also available to people who have received certification from an Exchange that they are exempt from the individual mandate because they do not have an affordable coverage option or because they qualify for a hardship exemption. Visit your state’s Exchange for more details.

**As of January 1, 2018, if you fund the Health Savings Account associated with this plan, you may be subject to tax penalties. Please contact your tax professional if you have further questions.

Before You Choose a Plan

To choose the best plan for your needs, you should:

**Understand metal levels**
Under the Affordable Care Act (ACA) there are four categories of health coverage—Bronze, Silver, Gold and Platinum—called metal levels. All health plans fall into a metal level depending on the share of health care expenses they cover. For example, bronze plans have higher deductibles than other metal level plans.

In Maryland, CareFirst offers plans in the following metal levels:
- Bronze
- Silver
- Gold

CareFirst also offers a Catastrophic plan (BlueChoice Young Adult) for individuals under age 30, or individuals with a hardship exemption.

**Look into financial assistance**
You may qualify for financial assistance (also called subsidies) from the government. There are two types of financial assistance available:

**A tax credit to help pay your monthly premium**—This subsidy helps reduce your monthly premium. Once you qualify, your tax credit will be sent to CareFirst and applied to your bill, reducing your premium. If you qualify for this type of assistance, you can use it toward the purchase of any plan—Bronze, Silver or Gold (excludes the BlueChoice Young Adult plan).

**A subsidy to lower your out-of-pocket expenses**—This subsidy helps limit how much you spend on out-of-pocket expenses like copays, coinsurance and deductibles. By lowering these out-of-pocket costs, your health plan begins paying 100 percent of your costs sooner than it would have without the subsidy. If you qualify, and want to take advantage of this type of financial assistance, you must purchase a Silver metal level plan.

To see whether you qualify for assistance, check out our subsidy estimator at carefirst.com/individual. If you do qualify, you must purchase your plan through the Maryland Health Connection at www.marylandhealthconnection.gov.

**Note:** If you are an existing member and you qualified for financial assistance in 2017 and did not elect automatic reassessment, you need to contact the Maryland Health Connection and be re-evaluated for financial assistance for 2018 during Open Enrollment from November 1–December 15, 2017.

Individuals earning up to $48,240* and a family of four earning up to $98,400* can qualify for financial assistance to help pay for their health insurance premiums.

*income based on 2017 federal poverty levels
How Health Insurance Works

To help you understand your health plan options, it's important to understand a bit about health insurance. The graphic below explains how health insurance works and defines some key terms.

Commonly used insurance terms are BOLDED throughout this book and defined in the glossary on page 25.

1 Certain charges, such as charges in excess of the allowed benefit, may not be used to satisfy the deductible. Please see your contract for more information.
Included with Every CareFirst Plan

CareFirst health plans are designed with your health in mind. All individual and family plans include:

- Prescription drug coverage
- Blue Rewards
- Vision examination for members over age 19
- Dental and vision coverage for members under age 19

Prescription drug coverage

As a CareFirst member, your prescription coverage includes:

- A nationwide network of more than 69,000 participating pharmacies.
- Approximately 5,000 covered prescription drugs on our formulary (drug list), divided into tiers. The price you pay for a drug is determined by the tier it falls into.
  - **Generic Drugs (Tier 1)**—Generic drugs cost up to 75 percent less than their brand-name counterparts and are made with the same active ingredients. Ask your doctor if your prescription medication can be filled with a generic alternative.
  - **Preferred Brand-Name Drugs (Tier 2)**—The drugs on CareFirst’s Preferred Drug list have been reviewed for quality, effectiveness, safety and cost by an independent national committee of health care professionals. The CareFirst Preferred Drug List identifies generic and preferred brand-name drugs that may save you money.
  - **Non-Preferred Brand-Name Drugs (Tier 3)**—These drugs are often available in less-expensive forms, either as generics or preferred brand drugs. You will pay more for drugs in this tier. If you choose a non-preferred drug when a generic is available, you will pay the non-preferred copay along with the difference in price between the generic and non-preferred drug.
  - **Preferred Specialty Drugs (Tier 4)**—Consist of generic and brand-name drugs used to treat chronic, complex and/or rare health conditions. These drugs may have a lower cost-share than non-preferred specialty drugs.
  - **Non-Preferred Specialty Drugs (Tier 5)**—These specialty drugs have a more cost-effective preferred generic or brand specialty drug alternative available.
- Mail Service Pharmacy, our convenient and fast mail order drug program.
- Save money on your maintenance medications—those drugs taken daily to treat a chronic condition like high cholesterol—by having them delivered right to your home. You can get up to a 90-day supply of your medications for the cost of two copays. Non-maintenance drugs are also available through the Mail Service Pharmacy.
- Coordinated medical and pharmacy programs to help improve your overall health and reduce costs.
- Personalized care management notices detailing cost savings opportunities, safety alerts and important drug information.

We've included more information on prescription benefits by health plan in the fold-out chart included with this book. Our drug list formulary can be found at carefirst.com/acarx.
Earn money with our Blue Rewards program

Blue Rewards is CareFirst’s exclusive incentive program that rewards you for taking steps to get and stay healthy. You and your covered spouse or domestic partner can each earn $150 for completing four steps within 120 days from the date your coverage started.

Once you’ve earned your reward, you will receive a CareFirst Blue Rewards Visa® Incentive Card that can be applied to your out-of-pocket costs like copays and eligible medical, prescription drug, dental and vision expenses under your CareFirst health plan.

Four steps to earn your reward

Select a primary care provider (PCP)
Consent to receive wellness emails
Answer an online health assessment
Complete a health screening

You can visit your PCP or a CVS MinuteClinic to complete your health screening! For more information on the steps and the program, visit carefirst.com/bluerewards. To earn your reward, you must select a PCP who participates in our Patient-Centered Medical Home (PCMH) program.

Vision coverage

Every CareFirst health plan includes an annual vision examination for everyone covered by your plan. In-network benefits are offered to you through Davis Vision,† our administrator for the plans. Out-of-network benefits are also available.

Coverage for children (up to age 19) includes:

- One no-charge in-network routine exam per calendar year
- No copay for frames and basic lenses for glasses or contact lenses in the Davis Vision collection
- No claims to file when you use a provider who contracts with Davis Vision

Coverage for adults (age 19 and over) includes:

- One no-charge in-network routine exam per calendar year
- Discounts of approximately 30 percent on eyeglass lenses, frames and contacts, laser vision correction, scratch-resistant lens coating and progressive lenses
- No claims to file when you use a provider who contracts with Davis Vision

To locate a vision provider near you, call Davis Vision at 800-783-5602 or visit carefirst.com/doctor.

† Davis Vision is an independent company.
1 Exam is subject to deductible for children under age 19 and for members enrolled in the BlueChoice Young Adult plan.
2 Provider participation varies from year-to-year. Make sure to call in advance to confirm discounts.
CVS MinuteClinic is an independent company that provides medical services to CareFirst members.
The CareFirst Blue Rewards Visa® Incentive Card is issued by The Bancorp Bank pursuant to a license from Visa U.S.A. Inc. This card may not be used everywhere Visa debit cards are accepted. No cash access permitted. The Bancorp Bank; Member FDIC.
If you have a plan with a health savings account (HSA) option, you will typically receive the incentive card once you have met the Internal Revenue Service (IRS) minimum deductible for an HSA plan—$1,350 for an individual or $2,700 for a family. You may be able to receive your incentive card after completing the four steps if certain requirements are met.
Dental coverage for children up to age 19

Did you know that comprehensive dental care can help detect other health problems before they become more serious? The health of your child's teeth also has a major impact on digestion, growth rate and many other aspects of overall health. That's why all CareFirst medical plans provide kids under age 19 with dental benefits at no extra charge.

*CareFirst payments are based on the CareFirst Dental Allowed Benefit. Participating dentists accept 100% of the CareFirst Dental Allowed Benefit as payment in full for covered services. Non-participating dentists may bill the member for any amount over the Dental Allowed Benefit. Providers are not required to accept CareFirst’s Dental Allowed Benefit on non-covered services. This means you may have to pay your dentist's entire billed amount for these non-covered services. At your dentist's discretion, they may choose to accept the CareFirst Dental Allowed Benefit, but are not required to do so. Please talk with your dentist about your cost for any dental services.

**Orthodontic services are subject to the deductible for the BlueChoice Young Adult $7,350 plan only.

Know Before You Go

Knowing where to go when you need medical care is key to getting treatment with the lowest out-of-pocket costs.

**Primary care provider (PCP)**
Establishing a relationship with a primary care provider is the best way to receive consistent, quality care. Except for emergencies, your PCP should be your first call when you require medical attention. Your PCP may be able to provide advice over the phone or fit you in for a visit right away.

**FirstHelp—free 24-hour nurse advice line**
With our free nurse advice line, members can call anytime to speak with a registered nurse. Nurses will discuss your symptoms with you and recommend the most appropriate care.

**CareFirst Video Visit**
See a doctor 24/7/365 without an appointment! You can consult with a board-certified doctor on your smartphone, tablet or computer. Doctors can treat a number of common health issues like flu and pink eye. Visit carefirstvideovisit.com for more information.

**Convenience care centers (retail health clinics)**
These are typically located inside a pharmacy or retail store and offer accessible care with extended hours. Visit a convenience care center for help with minor concerns like cold symptoms and ear infections.

**Urgent care centers**
Urgent care centers have a doctor on staff and are another option when you need care on weekends or after hours.

**Emergency room (ER)**
An emergency room provides treatment for acute illnesses and trauma. You should call 911 or go straight to the ER if you have a life-threatening injury, illness or emergency. Prior authorization is not needed for emergency room services.

When your PCP isn’t available, being familiar with your options will help you locate the most appropriate and cost-effective medical care. This chart shows how costs* (copays) vary for a sample health plan depending on where you choose to get care. Visit carefirst.com/needcare for more information.

Glossary

Here’s a quick reference guide to many of the terms used in this book. For more glossary terms, visit our YouTube channel videos at youtube.com/carefirst.

**Allowed benefit**—The maximum dollar amount an insurer will pay for a covered health service, regardless of the provider’s actual charge. A provider who participates in the CareFirst BlueCross BlueShield or BlueChoice network cannot charge members more than the allowed benefit amount for any covered service.

**Coinsurance**—the percentage you pay after you’ve met your deductible. For example, if your health care plan has a 30 percent coinsurance and the allowed benefit is $100 (the amount a provider can charge a CareFirst member for that service), then your cost would be $30. CareFirst would pay the remaining $70.

**Convenience care centers/retail health clinics**—tend to be located inside a pharmacy or retail store and offer fast access to treatment for non-emergency care. These centers/clinics offer extended weekend hours and can often see you quickly.

**Copay**—a fixed dollar amount you pay when you visit a doctor or other provider. For example, you might pay $40 each time you visit a specialist or $300 when you visit the emergency room.

**Deductible**—the amount of money you must pay each year before CareFirst begins to pay its portion of your claims. For example, if your deductible is $1,000, you’ll pay the first $1,000 for health care services covered by your plan and subject to the deductible. CareFirst will start paying for part or all of the services after that. Your deductible will start over each year on January 1. Please note—many of our plans include a variety of services that do not require you to meet the deductible before CareFirst begins paying.

**Effective date**—the date your coverage begins. If you purchase a plan during the annual open enrollment period, your new plan starts on January 1.

**Generic drugs**—prescription drugs that work the same as brand-name drugs but cost much less. To learn more about generics and how you can save money, visit carefirst.com/acarx.

**Health Maintenance Organization (HMO)**—BlueChoice HMO plans offer the flexibility to see any of the nearly 37,000 participating providers in the BlueChoice network. Outside of our network, only emergency medical services are covered.

**Non-preferred brand drugs**—drugs that are often available in less expensive forms, either as generic or preferred brand drugs. You will pay more for this category of drugs.

**Non-preferred specialty drugs**—specialty drugs that are likely to have a more cost-effective generic or preferred brand alternative available. This tier has the highest copayment for specialty drugs.

**Out-of-pocket maximum**—the most you will have to pay for medical expenses and prescriptions in a calendar year. Your out-of-pocket maximum will start over every January 1. Please note: your monthly premium payments do not count toward your out-of-pocket maximum.

**Preferred brand drugs**—drugs not yet available in generic form chosen for their effectiveness and affordability compared to alternatives. They cost more than generics but less than non-preferred brand drugs.

**Preferred specialty drugs**—consists of generic and brand-name specialty drugs used to treat chronic, complex and/or rare health conditions. These drugs are generally more cost-effective than other specialty drugs.
Preferred Provider Organization (PPO)—
BluePreferred PPO plans offer the most flexibility. Care can be accessed from the PPO network of approximately 42,000 providers locally and thousands nationally. Costs will be higher if you see a doctor who does not participate with a Blue Cross Blue Shield plan.

Premium—the amount you pay each month for your plan, based on the number and ages of covered family members and the plan you choose.

Primary care provider (PCP)—the doctor you select as your health care partner. They know and understand you and your health care needs.

Specialty drugs—the highest priced drugs that may require special handling, administration or monitoring. These drugs may be oral or injectable and are used to treat serious or chronic conditions.
Our Commitment to You

Confidentiality of subscriber/member information
All health plans and providers must provide information to members and patients regarding how their information is protected. You will receive a Notice of Privacy Practices from CareFirst or your health plan, and from your providers as well, when you visit their office.

CareFirst has policies and procedures in place to protect the confidentiality of member information. Your confidential information includes protected health information (PHI), whether oral, written or electronic, and other nonpublic financial information. Because we are responsible for your insurance coverage, making sure your claims are paid, and that you can obtain any important services related to your health care, we are permitted to use and disclose (give out) your information for these purposes. Sometimes we are even required by law to disclose your information in certain situations. You also have certain rights to your own protected health information on your behalf.

Our responsibilities
We are required by law to maintain the privacy of your PHI, and to have appropriate procedures in place to do so. In accordance with the federal and state privacy laws, we have the right to use and disclose your PHI for treatment, payment activities and health care operations as explained in the Notice of Privacy Practices. We may disclose your protected health information to the plan sponsor/employer to perform plan administration function. The notice is sent to all policy holders upon enrollment.

Your rights
You have the following rights regarding your own protected health information. You have the right to:

- Request that we restrict the PHI we use or disclose about you for payment or health care operations.
- Request that we communicate with you regarding your information in an alternative manner or at an alternative location if you believe that a disclosure of all or part of your PHI may endanger you.
- Inspect and copy your PHI that is contained in a designated record set including your medical record.
- Request that we amend your information if you believe that your PHI is incorrect or incomplete.
- An accounting of certain disclosures of your PHI that are for some reasons other than treatment, payment, or health care operations.
- Give us written authorization to use your protected health information or to disclose it to anyone for any purpose not listed in this notice.

Inquiries and complaints
If you have a privacy-related inquiry, please contact the CareFirst Privacy Office at 800-853-9236 or send an email to privacy.office@carefirst.com.
**Members’ rights and responsibilities statement**

Members have the right to:

- Be treated with respect and recognition of their dignity and right to privacy.
- Receive information about the health plan, its services, its practitioners and providers and members’ rights and responsibilities.
- Participate with practitioners in decision-making regarding their health care.
- Participate in a candid discussion of appropriate or medically necessary treatment options for their conditions, regardless of cost or benefit coverage.
- Make recommendations regarding the organization’s members’ rights and responsibilities.
- Voice complaints or file appeals about the health plan or the care provided.

**Members have a responsibility to:**

- Provide, to the extent possible, information that the health plan, its practitioners and providers need in order to care for them.
- Understand their health problems and participate in developing mutually agreed upon treatment goals to the degree possible.
- Follow the plans and instructions for care that they have agreed on with their practitioners.
- Pay copayments or coinsurance at the time of service.
- Be on time for appointments and to notify practitioners/providers when an appointment must be canceled.

**Eligible individuals’ rights statement**

**wellness and health promotion services**

Eligible individuals have a right to:

- Receive information about the organization, including wellness and health promotion services provided on behalf of the employer or plan sponsors; organization staff and staff qualifications; and any contractual relationships.
- Decline participation or disenroll from wellness and health promotion services offered by the organization.
- Be treated courteously and respectfully by the organization’s staff.

- Communicate complaints to the organization and receive instructions on how to use the complaint process that includes the organization’s standards of timeliness for responding to and resolving complaints and quality issues.

**Experimental/investigational services**

Experimental/investigational means services that are not recognized as efficacious as that term is defined in the edition of the Institute of Medicine Report on Assessing Medical Technologies that is current when the care is rendered. Experimental/investigational services do not include controlled clinical trials.

**Compensation and premium disclosure statement**

Our compensation to providers who offer health care services and behavioral health care services to our insured members or enrollees may be based on a variety of payment mechanisms such as fee-for-service payments, salary, or capitation. Bonuses may be used with these various types of payment methods.

The following information applies to CareFirst of Maryland, Inc. and Group Hospitalization and Medical Services, Inc. doing business as CareFirst BlueCross BlueShield, and to CareFirst BlueChoice, Inc., and their affiliates (collectively, CareFirst).

A. Methods of paying physicians

The following definitions explain how insurance carriers may pay physicians (or other providers) for your health care services.

The examples show how Dr. Jones, an obstetrician/gynecologist, would be compensated under each method of payment.

Salary: A physician (or other provider) is an employee of the HMO and is paid compensation (monetary wages) for providing specific health care services.

Since Dr. Jones is an employee of an HMO, she receives her usual bi-weekly salary regardless of how many patients she sees or the number of services she provides. During the months of providing prenatal care to Mrs. Smith, who is a member of the HMO, Dr. Jones’ salary is unchanged. Although Mrs. Smith’s baby is delivered by Cesarean section, a more complicated procedure than a vaginal delivery, the method of delivery will not have an effect upon Dr. Jones’ salary.

Capitation: A physician (or group of physicians) is paid a fixed amount of money per month by an HMO for each patient who chooses the physician(s) to be his or her doctor. Payment is fixed without regard to the volume of services that an individual patient requires.

Under this type of contractual arrangement, Dr. Jones participates in an HMO network. She is not employed by the HMO. Her contract with the HMO stipulates that she is paid a certain amount each month for patients who select her as their doctor. Since Mrs. Smith is a member of the HMO, Dr. Jones monthly payment does not change as a result of her providing ongoing care to Mrs. Smith. The capitation amount paid to Dr. Jones is the same whether or not Mrs. Smith requires obstetric services.

Fee-for-service: A physician (or other provider) charges a fee for each patient visit, medical procedure, or medical service provided. An HMO pays the entire fee for physicians it has under contract and an insurer pays all or part of that fee, depending on the type of coverage. The patient is expected to pay the remainder.

Dr. Jones’ contract with the insurer or HMO states that Dr. Jones will be paid a fee for each patient visit and each service she provides. The amount of payment

Dr. Jones receives will depend upon the number, types, and complexity of services, and the time she spends providing services to Mrs. Smith. Because Cesarean deliveries are more complicated than vaginal deliveries, Dr. Jones is paid more to deliver Mrs. Smith’s baby than she would be paid for a vaginal delivery. Mrs. Smith may be responsible for paying some portion of Dr. Jones’ bill.

Discounted fee-for-service: Payment is less than the rate usually received by the physician (or other provider) for each patient visit, medical procedure, or service. This arrangement is the result of an agreement between the payer, who gets lower costs and the physician (or other provider), who usually gets an increased volume of patients.

Like fee-for-service, this type of contractual arrangement involves the insurer or HMO paying Dr. Jones for each patient visit and each delivery; but under this arrangement, the rate, agreed upon in advance, is less than Dr. Jones’ usual fee. Dr. Jones expects that in exchange for agreeing to accept a reduced rate, she will serve a certain number of patients. For each procedure that she performs, Dr. Jones will be paid a discounted rate by the insurer or HMO.

Bonus: A physician (or other provider) is paid an additional amount over what he or she is paid under salary, capitation, fee-for-service, or other type of payment arrangement. Bonuses may be based on many factors, including member satisfaction, quality of care, control of costs and use of services.

An HMO rewards its physician staff or contracted physicians who have demonstrated higher than average quality and productivity. Because Dr. Jones has delivered so many babies and she has been rated highly by her patients and fellow physicians, Dr. Jones will receive a monetary award in addition to her usual payment.

Case rate: The HMO or insurer and the physician (or other provider) agree in advance that payment will cover a combination of services provided by both the physician (or other provider) and the hospital for an episode of care.

This type of arrangement stipulates how much an insurer or HMO will pay for a patient’s obstetric services. All office visits for prenatal and postnatal care, as well as the delivery, and hospital-related
charges are covered by one fee. Dr. Jones, the hospital, and other providers (such as an anesthesiologist) will divide payment from the insurer or HMO for the care provided to Mrs. Smith.

B. Percentage of provider payment methods
CareFirst BlueChoice, Inc. is a network model HMO and contracts directly with the primary care and specialty care providers. According to this type of arrangement, CareFirst BlueChoice, Inc. reimburses providers primarily on a discounted fee-for-service payment method. The provider payment method percentages for CareFirst BlueChoice, Inc. are approximately 99 percent discounted fee-for-service with less than 1 percent capitated.

For its Indemnity and Preferred Provider Organization (PPO) plans, CareFirst of Maryland, Inc. and CareFirst BlueCross BlueShield contract directly with physicians. All physicians are reimbursed on a discounted fee-for-service basis.

C. Distribution of premium dollars
The bar graph at right illustrates the proportion of every $100 in premium used by CareFirst to pay physicians (or other providers) for medical care expenses and the proportion used to pay for plan administration.

Chart A represents an average for all CareFirst BlueChoice, Inc. HMO accounts based on our annual statement. The ratio of direct medical care expenses to plan administration will vary by account.

Chart B represents an average for all CareFirst of Maryland, Inc. indemnity accounts based on our annual statement. The ratio of direct medical care expenses to plan administration will vary by account.

Chart C represents an average for all Group Hospitalization and Medical Services, Inc. indemnity accounts based on our annual statement. The ratio of direct medical care expenses to plan administration will vary by account.

The composite distribution presented in this disclosure is presented pursuant to the requirements of Maryland law, and may differ from calculations of federal medical loss ratio for a carrier in a particular market under the requirements of the Patient Protection and Affordable Care Act, based on accounting differences in the formulae used.
