Copay 80% plan

About your plan

Who can apply for this plan – People between the ages of two weeks and sixty four and a half years of age can apply for HumanaOne health plans. A dependent child must be less than 26 years of age to apply.

Date the plan starts – If you've had major medical coverage in the last 63 days, your start date can be as early as the day you apply. If you haven't had coverage in the last 63 days, you'll have two start dates:

1. Subject to approval, your plan starts on the day you request, with coverage for preventive care and injuries caused by an accident
2. Unless Humana agrees to an earlier date, your start date for sickness begins on the 15th day after the approved effective date of your plan.

Choose your medical deductible – The amount of covered expenses you'll pay out of your pocket before your plan begins to pay its share

Important to know:

- › Deductibles start over each new calendar year
- › If you have covered medical expenses that apply to your deductible between Oct. 1 and Dec. 31, you can apply the covered expenses to your deductible for the next year
- › Once three family members meet their individual deductibles, the family deductible will be met for all other family members
- › For families with two people, only two individual deductibles need to be met
- › This plan may include a separate deductible for certain conditions; see the deductible information on page 4 for details
- › The medical deductible is separate from other deductibles; expenses applied to the medical deductible won't apply to mental health, prescription drugs, or condition-specific deductibles

How your plan works

The details below give you a general idea of covered benefits for this plan. It doesn't explain everything. To be covered, expenses must be medically necessary and listed as covered in your policy. A policy is the document which outlines the benefits, provisions, and limitations of your plan. Please refer to a policy for the actual terms and conditions of your plan. This plan also has things that are not covered or limited. You should know about these. See page 4 for details.

 - ☐ \$700 deductible (included in plan)
 - ☐ \$300 deductible (this lower deductible is available for an extra cost)
2. **Once you've met your deductible, then you pay a copay:**
 - \$15 / level 1: low-cost generic and brand-name drugs (These drugs are covered before meeting your deductible)
 - \$35 / level 2: higher cost generic and brand-name drugs

 - 35% / level 4: some drugs you inject and other high-cost drugs (\$5,000 out-of-pocket maximum per person per calendar year on level 4 drugs)
3. **Then, your plan pays any** remaining costs for in-network drugs

Add extra benefits to your medical plan

The following benefits are available to you at an extra cost.

Dental

Protect your healthy smile with affordable, easy-to-use optional dental benefits from one of the nation's largest dental insurers. For a low monthly premium, you can use more than 130,000 network providers, but have the freedom to visit any provider. And if you're approved for a medical plan, you're approved for dental benefits – just choose the type of coverage that meets your needs:

- ☐ **Traditional Plus** includes coverage for preventive, basic, and major services. You can go to network or non-network dentists, but you'll pay less when you choose dentists in the network.
- ☐ **Preventive Plus** covers the most common preventive and basic services. Discounts are available for major services and basic services the plan doesn't cover.

Term life

HumanaOne makes it easy to get peace of mind and help plan for a secure future for your family. You can apply for a medical plan and term life insurance at the same time. If you are approved for your medical plan, you will also be eligible for up to \$150,000 in term life coverage. Term life insurance gives protection for a certain time, during which premiums stay the same.

Supplemental accident

With this extra benefit, the plan pays a set amount per covered person for treatment of an accident, excluding prescription drugs, even before you've met the plan deductible. Treatment must take place within 90 days of the accident.

- ☐ **\$1,000:** Plan pays first \$1,000 per accident at 100%, then your plan benefits apply
- ☐ **\$2,500:** Plan pays first \$2,500 per accident at 100%, then your plan benefits apply

Mental disorder

If chosen, this extra benefit replaces the mental health benefit in your plan. Mental disorders includes coverage for Chemical and Alcohol Dependence.

- Day and visit maximums are for Mental Health, Chemical and Alcohol combined
 - Inpatient:** Up to 30 days per calendar year per covered person
 - Outpatient therapy:** Up to 48 visits per calendar year per covered person
- No waiting period
- Plan pays in-network and out-of-network, same as any other illness

Consumer Choice Option

If a provider you want to visit isn't in our network, you can nominate the provider. Providers must meet other criteria, so a nomination doesn't guarantee acceptance into our network. Additional premium charge may apply, depending on plan type.

To nominate a provider, fill out a Consumer Choice Option Provider Nomination Form and give it to the provider. This form is available to you when you apply with us. Once the provider sends the completed form to us, we'll follow up with them and let you know the status of your nomination.

Make your HumanaOne plan fit your needs even better. Extra benefits are an easy and affordable way to get the coverage you need. Plus, in most cases, there's no separate application or underwriting.

Insured by Humana Insurance Company and Humana Employers Health Plan of Georgia, Inc. or HumanaDental Insurance Company

Applications are subject to approval. Waiting periods, limitations and exclusions apply.

Condition-specific deductibles (deductibles for certain illnesses)

This plan may include condition-specific deductibles, or CSDs, of \$2,500, \$5,000, or \$7,500 in-network (\$5,000, \$10,000, or \$15,000 out-of-network). CSDs allow you to get coverage for services that wouldn't be covered otherwise or would have a waiting period. The CSD applies to certain conditions listed in your policy. If you have any of these conditions before your coverage starts, you'll have coverage for these services – you just need to meet the separate deductible first. After you meet the CSD, your plan will pay for covered expenses related to the condition at 100% for the rest of the calendar year. Prescriptions used to treat the condition don't apply to the CSD.

Network agreements

Network providers agree to accept an agreed-upon amount as payment in full. Network providers aren't the agents, employees, or partners of Humana or any of its affiliates or subsidiaries. They are independent contractors. Humana doesn't provide medical services. Humana doesn't endorse or control your healthcare providers' clinical judgment or treatment recommendations. Your policy explains your share of the cost for network and out-of-network providers. It may include a deductible, a set amount (copayment or access fee), and a percent of the cost (coinsurance).

When you go to a network provider:

- The amount you pay is based on the agreed-upon amount.
- The provider can't "balance bill" you for charges greater than that amount.

When you go to an out-of-network provider:

- The amount you pay is based on Humana's maximum allowable fee.
- The provider can "balance bill" you for charges greater than the maximum allowable fee. These charges don't apply to your out-of-pocket limit or deductible.

Pre-existing conditions

A pre-existing condition is a sickness or bodily injury for which, during the five-year period immediately prior to the covered person's effective date of coverage: 1) the covered person sought, received or was recommended medical advice, consultation, diagnosis, care or treatment; 2) prescription drugs were prescribed; 3) signs or symptoms were exhibited; or 4) diagnosis was possible. Benefits for pre-existing conditions are not payable until the covered person's coverage has been in force for 12 consecutive months with us. We will waive the pre-existing conditions limitation for those conditions disclosed on the application provided benefits relating to those conditions are not excluded. Conditions specifically excluded by rider are never covered. The pre-existing condition limitation does not apply to a covered person who is under the age of 19.
