INDIVIDUAL PLANS | 2017

BEFORE YOU CONTINUE...

Community Blue is a Select Network product.

Select Network products are fast becoming the go-to health insurance solution. That's because they offer big cost savings and high quality, coordinated care in your community. Please read this guide and talk with an agent before buying Community Blue to make sure this is the right health plan for you and your family.

It is a perfect fit for some, and not for others.

Community Blue may be a good fit if you:

- Are willing to accept a smaller network size for a lower premium and less costly care
- Have reviewed the provider directory and are willing to visit doctors, clinics and hospitals in the Community Blue network
- Want waived (\$0) copays for your PCP office visits with an in-network Quality Blue Primary Care doctor

You may want to look at other types of health plans if you:

- Are willing to pay higher monthly premiums to have a broader network and avoid unexpected out-of-pocket expenses
- Need to seek care outside of the Community Blue network

Welcome to Community Blue: Great Care at a Lower Price!

Your Select Network plan is designed to save you money. In exchange for these savings, you must be willing to seek care from primary care doctors, specialists, and local hospitals in your network. There's no correlation between cost and quality – *a limited number of providers doesn't mean limited services*. Select network plans offer the same level of care and benefits as other broader network plans, including emergency room services!

What's different about Community Blue?

- **Your network of doctors and hospitals is more defined** than other insurance plans. But you still have a full network of primary care doctors, specialists and other healthcare providers in your area.
- **You have a coordinated care team** of healthcare professionals who talk to each other and help you get the right care in the right place.
- **Staying in network is very important!** As long as you get care within your Community Blue network, you will always pay less than if you get care outside of the network.

Before you get started, think about:

- Are the doctors/clinics you go to the most in the Community Blue network?
- How much do you want to pay for your monthly premium and how much do you want to pay out of pocket?
- Are you willing to work with your primary care doctor to get the most from your plan?

These answers can help you decide if Community Blue is right for you.

Stay In-Network!

We are able to offer you Community Blue at a lower premium price than our other plans because we limit the network of doctors and hospitals. In order to get the most out of your health plan and keep your costs as low as possible, it's important that you only visit providers who are in the Community Blue network. Reminder: You must live in East Baton Rouge, West Baton Rouge, Ascension, Caddo or Bossier Parish to purchase Community Blue.

Your Community Blue Doctors

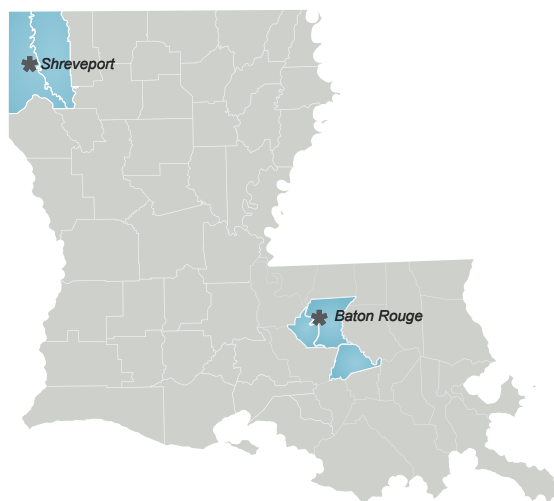

You **must** pick a primary care doctor in the Community Blue network to handle most of your medical needs when you are sick or injured. You have access to a wide variety of quality doctors in the Baton Rouge and Shreveport markets:

Baton Rouge

- Baton Rouge Clinic
- Baton Rouge General Physicians Group

Shreveport

- Acorn to Oaks Pediatrics
- Bossier Family Medical
- Choice Pediatrics
- CHRISTUS Medical Group
- David Raines Community Health Center
- Healthplex Family Clinic
- Highland Clinic
- McFarland Healthcare Clinic
- Neil Halim Fairfield Family Clinic
- Progressive Children's Clinic
- Shreveport Family Medicine
- Wall S. Medicine Clinic

Your Community Blue Hospitals

It's also important that if you need to have surgery, deliver a baby or go to a hospital for any reason, you go to an in-network hospital. If you go to an out-of-network hospital, you will have to cover the costs out of pocket, and it will cost a lot more than going to an in-network hospital. For hospital care in Community Blue, go to:

- **Baton Rouge:** Baton Rouge General Hospital
- **Shreveport:** CHRISTUS Schumpert of Shreveport

In a true emergency situation, go to the nearest hospital. Your insurance will pay for your care no matter which hospital you choose.

Visit www.bcbsla.com/findcare or use the BCBSLA mobile app to search for all participating providers in your network.

What is Coordinated Care?

One of the main benefits of a Select Network plan is the coordinated care you'll receive. This means that all of your healthcare professionals will be working as a team to give you the right care, at the right time, in the right places to keep you healthy.

Coordinated care works best when you work with your doctors as an equal partner. With Community Blue, you will get the best care when:

- You choose a primary care doctor in the Community Blue network whom you will see when you're sick or injured.
- You take a Personal Health Assessment, which will help your care team get a full picture of your overall health.
- You are proactive about your health by:
 - Seeing your in-network primary care doctor regularly
 - Following your care plans and getting routine exams, checkups and tests
 - Taking medicines as they are prescribed to you
 - Taking advantage of the preventive and wellness services included in your plan at no additional cost to you
 - Letting your primary care doctor know when you see other doctors

Quality Blue Primary Care

Through our Quality Blue Primary Care (QBPC) program, we share data and information with your in-network doctors enrolled in the program to help them give you focused care. This program is already getting great results for patients, particularly those with chronic conditions.

What is better with our Quality Blue Primary Care program?

- **Health coaching**

If you have a condition such as high blood pressure, diabetes, heart disease or chronic kidney disease, you may receive helpful calls and extra attention from our Blue Cross nurses between your doctor's appointments to help you stay healthy.

- **Waived (\$0) copays!**

If your doctor is in the Quality Blue Primary Care program and your health plan has a copayment for primary care doctor visits, your copayment will be waived for office visits with your doctor/nurse practitioner. Please see the benefit grid located in this brochure for your particular plan information.

QBPC is part of any Blue Cross member's benefits. Check out www.bcbsla.com/myQBPC to learn more about how this program helps you.

Is my doctor in Quality Blue Primary Care?

Look up your doctor's name in the Community Blue network directory at www.bcbsla.com/findcare. QBPC doctors have a [] next to their names.

Your Cost Share

These are the terms you need to know to help you understand your plan.

- **Premium**

A premium is the monthly payment you have to pay for your plan.

- **Copayment**

If your plan has a copayment, this means that you pay a set dollar amount, or flat fee, for some kinds of care, such as at your doctor's office or pharmacy. Your copayment will be a lower amount for a primary care doctor and higher for specialists.

- **Deductible**

If you choose a plan with a deductible, this is the amount you must pay up front before your insurance pays for your care. If your plan also has copayments, these "copays" will not count toward your deductible. Your plan will have an in-network deductible and a separate out-of-network deductible.

- **Coinsurance**

Once you've paid your deductible, you'll pay a set percentage, or coinsurance, for your care. You will pay the lowest coinsurance amount when you stay in-network for care.

- **Maximum Out-of-Pocket**

What you pay toward your medical and pharmacy deductibles, copayments and coinsurance applies to your maximum out-of-pocket. Once you've reached your maximum out-of-pocket, your insurance will pay 100% of the cost of covered care for the remainder of the calendar year. A separate out-of-pocket-maximum will apply for services you receive out of your network.

What All Plans Cover

All individual Blue Cross health insurance plans meet the rules set by the healthcare reform laws. Any plan you buy will offer the following key benefits and services:

Essential Health Benefits

- **Office visits**
A visit to a clinic or physician's office.
- **Prescription drugs**
Drugs prescribed by a doctor to treat an acute illness, like an infection, or an ongoing condition, like high blood pressure.
- **Preventive and wellness services and chronic disease management**
These services include routine physicals, screenings and immunizations. Chronic disease management is an integrated approach to manage an ongoing condition, like asthma or diabetes.
- **Hospitalization**
Care you receive as a patient in a hospital.
- **Emergency services**
Care for conditions which, if not immediately treated, could lead to serious disability or death.
- **Lab tests, blood work, X-rays**
Testing blood, tissues, etc. from a patient to help a doctor diagnose a medical condition and monitor the effectiveness of treatment.
- **Maternity and newborn care**
Care provided to women during pregnancy and during and after labor; care for newly-born children.
- **Mental health care and substance abuse disorder services, including behavioral health treatment**
Care to evaluate, diagnose and treat mental health and substance abuse issues.
- **Pediatric dental and vision services**
All plans include benefits for annual pediatric eye exams, glasses, dental exams, cleanings, fluoride treatment, fillings and oral surgery.
- **Rehabilitation services and devices**
Services and devices to help people with injuries, disabilities or chronic conditions gain or recover mental and physical skills.
- **Contraceptive coverage**
Contraceptive methods and counseling available, as prescribed by a healthcare provider.

Preventive and Wellness Benefits

Preventive and wellness services are covered at 100% when you go to a provider in your network. These covered services include annual exams, colonoscopies, mammograms and more. See www.bcbsla.com/preventive for a full list of services that are covered.

Care Management

We offer care management programs to help members with chronic conditions or serious injuries such as diabetes, heart disease and chronic lung conditions like asthma. If you have any of these conditions, these programs help you move through the medical system and get the best possible care in a timely manner.

BlueCare: Greater Access Through Telemedicine

BlueCare makes it easy and convenient to get care with virtual, online doctor visits through a partnership with American Well*. You can “meet” with a doctor anytime and anywhere, without having to drive to a clinic.

- BlueCare appointments take place using a home or office computer, smartphone, tablet or other internet-accessible device.
- Your doctor or clinician can review your clinical information, speak with and see you as a patient, and even prescribe certain medications if needed.

Download the [BlueCare app](#) to your mobile device today or visit www.BlueCareLA.com

*American Well is an independent company providing telehealth services to Blue Cross and Blue Shield of Louisiana and HMO Louisiana, Inc. members.

Blue365®

Blue365® offers you discounts on health and wellness resources, 365 days a year. Blue Cross and HMO members enjoy special discounts on many services, such as:

- Gym memberships
- Diet programs
- Sports, clothing and shoes
- Eye care
- Elective procedures (ex. LASIK)
- Hearing aids

Register for your online account at www.blue365deals.com/BCBSLA to access these exclusive discounts!

Also Available

- **Blue Dental for Individuals and Families**

Oral health is about more than a good smile. It's an important component of overall health. That's why we offer Blue Dental plans to individuals and families. It's just another way we help connect you to a life of better overall health. Contact your agent or visit www.bcbsla.com/bluedental for more information.

- **GeoBlue: Health Plans for Travelers**

You can take comfort in the fact that you have access to the best medical care when traveling abroad with our international health plan, GeoBlue. From a two-week leisure trip to a two-year work assignment abroad, you can have the security of knowing you have quality medical care. Visit www.bcbsla.com/geoblue for more information.

Your Community Blue Benefits

Know before you go: Visit www.bcbsla.com/findcare or use the BCBSLA mobile app to search for participating providers in your network.

When you need care, consider your options:

- **Your primary care doctor or specialist**

If you are sick or injured, but it's not a life-threatening emergency, call your doctor and set up an office visit. Make sure that your primary care doctor is in your network, as well as any specialists you may see.

- **Urgent care**

If you can't reach your doctor, or if it's after hours, consider going to an urgent care or after-hours clinic. The wait time will be less than in an emergency room, and you can save money. Call ahead to make sure the urgent care clinic is in your network.

- **Emergencies**

If you have a true emergency, call 911 right away or go to the nearest hospital. When it's a true emergency, your insurance will pay for your care no matter which hospital you choose. However, once you're stabilized, we may ask you to move to a hospital in your network.

Look for these signs to tell whether it's an emergency:

- Fainting or unconsciousness
- Breathing trouble or choking
- Nonstop bleeding
- Coughing or vomiting blood
- Chest pain
- Sudden or severe pain anywhere
- Sudden dizziness

- **Planned stays in the hospital**

If you go to an in-network hospital:

As long as you're staying at the Baton Rouge General or CHRISTUS Schumpert in Shreveport and your doctor receives an authorization from us before your stay, then you will get in-network benefits.

If you go to another hospital that is outside of the network:

If the hospital is outside of your Community Blue network, you will need prior authorization to determine whether your stay is medically necessary. You will pay higher out-of-network costs. You may also be balance billed.

- **Lab services**

Community Blue has a select laboratory network. If you go to a lab in the network, you will pay less than you would for tests done by a lab outside of the network. If you have tests done outside of the network, you may have to pay higher costs, up to the billed charge.

- **Prior authorization**

Some kinds of care, including inpatient and outpatient services and supplies, require a prior authorization from us, which will determine the medical necessity of the service or supply. Your in-network provider will take care of the authorization for you.

For a list of services and supplies requiring prior authorization, please refer to your schedule of benefits.

Your Prescription Drug Coverage

Prescription drug benefits are included in all plans. A mail order program is also available. Drug benefits are managed by Express Scripts.* To get the most value from your drug benefits, you should take a drug that is covered under your plan.

Covered Drug Lists

Your plan has a covered drug list, or formulary, that includes thousands of generic and brand drugs, but not every drug is covered. How much you pay for the drugs on the list depends on the plan you choose and the drug you buy. If you fill a drug that is not on the covered drug list, you could have to pay the full cost of the drug.

Two things a covered drug list can tell you:

1. If there are other drugs you can take for your health problem that will cost you less.
2. If there are any rules that you must follow before a drug is covered.

Find out if your drugs are covered before you fill

You and your doctor can check to see if drugs you take are covered at **www.bcbsla.com/pharmacy**. If your doctor orders a new drug for you, ask him or her if the drug is on your covered drug list before you go to the pharmacy.

*Express Scripts, Inc. is an independent company that provides pharmacy benefit management services to Blue Cross and Blue Shield of Louisiana, Inc. and HMO Louisiana, Inc.

Pay close attention to what your plan has. Is it a 2-Tier or a 3-Tier pharmacy plan?

This means that your plan has either two tiers of cost for drugs or three tiers of cost for drugs. Drugs in the lower tiers cost less than drugs in the higher tiers. To save the most money, start with a drug in tier 1. If that one doesn't work, you can talk to your doctor about a higher cost drug in a higher tier, and so on.

2-Tier Pharmacy Plans		
Coinsurance will apply once your medical deductible is met.		
Tier 1	\$	Generic Drugs
Tier 2	\$\$	Brand Drugs

3-Tier Pharmacy Plans		
A separate drug deductible may apply, then copayments or coinsurance.		
Tier 1	\$	Primarily generic drugs (traditional and specialty), although some brand-name drugs may fall into this category
Tier 2	\$\$	Includes traditional and specialty brands and generics and biosimilars
Tier 3	\$\$\$	Includes traditional and specialty brands and generics and biosimilars and covered compound drugs

Nondiscrimination Notice

Discrimination is Against the Law

Blue Cross and Blue Shield of Louisiana and its subsidiaries, HMO Louisiana, Inc. and Southern National Life Insurance Company, Inc., does not exclude people or treat them differently on the basis of race, color, national origin, age, disability or sex in its health programs or activities.

Blue Cross and Blue Shield of Louisiana and its subsidiaries:

- Provide free aids and services to people with disabilities to communicate effectively with us, such as:
 - Qualified sign language interpreters
 - Written information in other formats (audio, accessible electronic formats)
- Provide free language services to people whose primary language is not English, such as:
 - Qualified interpreters
 - Information written in other languages

If you need these services, you can call the Customer Service number on the back of your ID card or email **MeaningfulAccessLanguageTranslation@bcbsla.com**. If you are hearing impaired call 1-800-711-5519 (TTY 711).

If you believe that Blue Cross, one of its subsidiaries or your employer-insured health plan has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability or sex, you have the right to take the following steps;

1. If you are fully insured through Blue Cross, file a grievance with Blue Cross by mail, fax, or email.

Section 1557 Coordinator
P. O. Box 98012
Baton Rouge, LA 70898-9012
225-298-7238 or 1-800-711-5519 (TTY 711)
Fax: 225-298-7240
Email: Section1557Coordinator@bcbsla.com

2. If your employer owns your health plan and Blue Cross administers the plan, contact your employer or your company's Human Resources Department. To determine if your plan is fully insured by Blue Cross or owned by your employer, go to www.bcbsla.com/checkmyplan.

Whether Blue Cross or your employer owns your plan, you can file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights by mail or phone at:

U.S. Department of Health and Human Services
200 Independence Avenue, SW
Room 509F, HHH Building
Washington, D.C. 20201
1-800-368-1019, 800-537-7697 (TDD)

Or

Electronically through the Office for Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>. Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>.
