- Meet the guidelines established in the Enrollment Application Form.
- Complete and submit to HPN such Enrollment Applications, forms or Medical Questionnaires that HPN may reasonably request.
- Be at least nineteen (19) years of age.

**Dependent.** To be eligible to enroll as a Dependent, an individual must be one of the following:

- A Subscriber's legal spouse or a legal spouse for whom a court has ordered coverage.
- A child by birth. Adopted child. Stepchild. Minor child for whom a court has ordered coverage. Child being Placed for Adoption with the Subscriber. A child for whom a court has appointed the Subscriber or the Subscriber's spouse the legal guardian.

The definition of Dependent is subject to the following conditions and limitations:

- A Dependent includes any child listed above under the limiting age of 26.
- A Dependent does not include anyone who is also enrolled as a Subscriber. No one can be a Dependent of more than one Subscriber.
- A Dependent includes a Dependent child who is incapable of self-sustaining employment due to mental or physical handicap, chiefly dependent upon the Subscriber for economic support and maintenance, and who has satisfied all of the requirements of (a) or (b) below:
  - a. The child must be covered as a Dependent under this Plan before reaching the limiting age, and proof of incapacity and

dependency must be given to HPN by the Subscriber within thirty-one (31) days of the child reaching the limiting age; or

- b. The handicap started before the child reached the limiting age, but the Subscriber was covered by another health insurance carrier that covered the child as a handicapped Dependent prior to the Subscriber applying for coverage with HPN.

HPN may require proof of continuing incapacity and dependency, but not more often than once a year after the first two (2) years beyond the date when the child reaches the limiting age-

Evidence of any Court Order needed to prove eligibility must be given to HPN.

### 1.2 Who Is Not Eligible

The following individuals are not eligible for coverage:

- An individual who is eligible for coverage under a Group Health Benefit Plan, Medicare or Medicaid at the time of application.
- An individual who is covered under other health insurance at the time of application.
- A foster child of the applicant or Subscriber.
- A child placed in the applicant or Subscriber's home other than for adoption.
- A grandchild of the applicant or Subscriber.
- Any other person not defined in Section 1.1.

### 1.3 Changes In Eligibility Status

It is the Subscriber's responsibility to give HPN written notice within thirty-one (31) days of changes which affect his Dependents' eligibility. Changes include, but are not limited to:

- Reaching the limiting age.
- Ceasing to satisfy the mental or physical handicap requirements.
- Death.
- Divorce.

# Agreement of Coverage

- Transfer of residence or work outside HPN's Service Area.
- Any other event which affects a Dependent's eligibility.

If the Subscriber fails to give notice which would have resulted in termination of coverage, HPN shall have the right to terminate coverage.

A Dependent's coverage terminates on the same day as the Subscriber.

## Continuation of Coverage Due to Specific Change in Eligibility Status.

A Member that becomes ineligible for coverage under this Plan due to specific changes in eligibility status may qualify for the same rates and coverage under their current HPN Health Benefit Plan under the following circumstances:

- Death of the Subscriber;
- Divorce between Subscriber and spouse; or
- When a child involuntarily fails to meet the eligibility rules outlined in Section 1.1.

In order to qualify for continuation of coverage under the above circumstances, the affected Member must contact HPN within thirty-one (31) days of the date of loss of eligibility to request continued coverage. Proof of good health is not required under these circumstances. Any and all waiting periods satisfied under the current Plan will be credited to the Member under the continued Plan coverage.

## 1.4 Application

Eligible Individuals and Eligible Family Members must make application to HPN in order to have coverage under this Plan.

1. **Newly Eligible Family Members.** Any Individual becoming newly eligible as a Dependent may apply for coverage under an HPN Plan by submitting to HPN the Enrollment Application Form or Membership Change Form within thirty-one (31) days of the date on which the individual becomes eligible. A person may become a Newly Eligible Family Member as the result of:

- A change in the Subscriber's marital status.

- A birth or adoption of a child by the Subscriber.
- Loss of eligibility with other healthcare coverage.

Enrollment must take place within thirty-one (31) days of the date of initial eligibility under the circumstances listed above. If enrollment takes place after thirty-one (31) days of the date of initial eligibility, the newly Eligible Family Member is subject to medical underwriting approval.

2. **Right to Deny Application.** HPN can deny membership to any person who:

- At application, does not meet the applicable eligibility guidelines.
- Fails to make a premium payment.
- Misrepresents and/or fails to disclose a material fact which would affect coverage under this Plan.

3. **Right to Deny Application for Renewal.** As a condition of renewal under this Plan, HPN may terminate a Subscriber and/or Dependent(s) who committed fraud upon HPN or misrepresented a material fact, which affected his coverage under this Plan.

## 1.5 Effective Date of Coverage

Before coverage can become effective, HPN must receive and accept premium payments and an Enrollment Application Form for the person applying to be a Member.

1. Unless specifically designated by the applicant on the Enrollment Application Form, the Effective Date of coverage is either the first (1st) or the fifteenth (15th) day of the calendar month following the date of application when the Enrollment Application Form is received, approved and applicable premium payments have been accepted by HPN.
2. Subscriber's newborn natural child is covered for the first thirty-one (31) days from birth. Coverage continues after thirty-one (31) days only if the Subscriber makes application for the child as a Dependent and pays the premium within thirty-one (31) days of the date of birth.
3. An adopted child is covered for the first thirty-one (31) days from birth only if the adoption has been legally completed before the child's birth. A child Placed for Adoption at any other age is covered for the first thirty-one (31) days following the Placement for Adoption.

# Agreement of Coverage

Coverage continues after the applicable thirty-one (31) day period only if the Subscriber makes application for the child as a Dependent and pays the premium within thirty-one (31) days after the placement of the child in the Subscriber's home or the child's birth. The coverage of a child Placed for Adoption ends on the date the adoption proceedings are terminated.

4. If a court has ordered Subscriber to cover his or her legal spouse or unmarried minor child, that person will be covered for the first thirty-one (31) days following the date of the court order. Coverage continues after thirty-one (31) days if the Subscriber makes application for the Dependent and pays the Dependent's premium. A copy of the court order must be given to HPN.

Subscriber must give HPN a copy of the certified birth certificate, decree of adoption, or certificate of Placement for Adoption for coverage to continue after thirty-one (31) days for newborn and adopted children.

Subscriber must give HPN a copy of the certified marriage certificate or any other required documents before coverage can be effective for other Eligible Family Members.

## SECTION 2. Termination

HPN may terminate coverage under this Plan at the times shown for any one or more of the following reasons:

### 2.1 Termination by HPN

- Failure to maintain eligibility requirements as set forth in Section 1.
- If a Subscriber fails to make premium payments within thirty-one (31) days of the premium due date, coverage will be terminated on the first day of the month for which a premium was due and not received by HPN.
- With thirty (30) days written notice, if the Member allows his or any other Member's HPN ID Card to be used by any other person, or uses another person's ID Card. The Member will be liable to HPN for all costs incurred as a result of the misuse of the HPN Member ID Card.
- Member performs an act or practice that constitutes fraud, or makes any intentional misrepresentation of material fact, as prohibited by the terms of coverage, HPN has the right to rescind coverage and declare coverage under the Plan null and void as of the

original Effective Date of Coverage and refund any applicable premium. Thirty (30) days written notice shall be provided to the Member prior to any rescission of coverage. The Member has the right to appeal any such rescission.

- Except as specifically provided in Section 1.3, on the last day of the calendar month in which a Member no longer meets the requirements of Section 1.
- If the Member fails to cancel any other health coverage upon becoming enrolled under this Plan, HPN has the right to declare the coverage under the Plan null and void as of the original Effective Date of coverage and refund any applicable premium.
- If the Member fails to give written notice within thirty-one (31) days of the loss of eligibility, HPN will terminate coverage retroactively and refund any corresponding premium.
- On the 61st day after a change in residence if a Member moves his primary residence outside HPN's Service Area. A Subscriber may continue coverage after a change in residence as long as his place of work is within HPN's Service Area. During the sixty (60) consecutive day period after the change in residence, the only Covered Services that HPN will provide outside HPN's Service Area are Emergency Services and Urgently Needed Services.

When a Subscriber moves his primary residence outside HPN's Service Area or no longer has his place of work within HPN's Service Area or when a Dependent moves his primary residence outside HPN's Service Area, Subscriber must notify HPN within thirty-one (31) days of the change. HPN will request proof of the change of residence or place of work.

- When information provided to HPN in the application form or Medical Questionnaire is determined to be untrue, inaccurate, or incomplete, in lieu of termination of coverage. HPN shall have the right to retroactively increase past premium payments to the maximum rate allowed that would have been billed if such untrue, inaccurate, or incomplete information had not been provided. If the revised premium rate is not received by HPN within thirty (30) days of the letter of notification, coverage will be terminated as of the paid-to date.

### 2.2 Termination by the Subscriber

Subscriber has the right to terminate his coverage under the Plan by written notice to HPN. Such termination is effective on the last day of the month when the notice is

# Agreement of Coverage

received by HPN unless coverage is terminated prior to such date by HPN.

## 2.3 Reinstatement

Any Plan that has been terminated in any manner may be reinstated by HPN at its sole discretion.

## 2.4 Effect of Termination

No benefits will be paid under this Plan by HPN for services provided after termination of a Member's coverage. You will be responsible for payment of medical services and supplies incurred after the Effective Date of the termination of this Plan.

## SECTION 3. Managed Care

This section tells you about HPN's Managed Care Program and which Covered Services require Prior Authorization.

### 3.1 Managed Care Program

HPN's Managed Care Program, using the services of professional medical peer review committees, utilization review committees, and/or the Medical Director, determines whether services and supplies are Medically Necessary. HPN's Managed Care Program helps direct the patient to the most appropriate setting to provide healthcare in a cost-effective manner.

### 3.2 Managed Care Program Requirements

HPN's Managed Care Program requires the Member, Plan Providers and HPN to work together.

- All Plan Providers have agreed to participate in HPN's Managed Care Program. Plan Providers have agreed to accept HPN's Reimbursement Schedule amount as payment in full for Covered Services, less the Member's payment of any applicable Copayment, Deductible or Coinsurance amount, whereas Non-Plan Providers have not. Members enrolled under HPN's HMO Plans who use the services of Non-Plan Providers will receive no benefit payments or reimbursement for amounts for any Covered Service, except in the case of Emergency Services or Urgently Needed Services as defined in this AOC, or other Covered Services provided by a Non-Plan Provider that are Prior Authorized by HPN's Managed Care Program including any Prior Authorized Covered Services obtained from a Non-Plan outpatient facility, such as a laboratory, radiological facility (x-ray), or any

complex diagnostic or therapeutic services. In no event will HPN pay more than the maximum payment allowance established in the HPN Reimbursement Schedule.

- It is the Member's responsibility to verify that a Provider selected is a Plan Provider before receiving any non-Emergency Services and to comply with all other rules of HPN's Managed Care Program.
- Compliance by the Member with HPN's Managed Care Program is mandatory. Failure by the Member to comply with the rules of HPN's Managed Care Program means the Member will be responsible for costs of services received.

### 3.3 Managed Care Process

The Medical Director and/or HPN's Utilization Review Committee will review proposed services and supplies to be received by a Member to determine:

- If the services are Medically Necessary and/or appropriate.
- The appropriateness of the proposed setting.
- The required duration of treatment or admission.

Following review, HPN will complete the Prior Authorization form and send a copy to the Provider and the Member. The form will specify approved services and supplies. **Prior Authorization is not a guarantee of payment.**

The final decision as to whether any care should be received is between the Member and the Provider. If HPN denies a request by a Member and/or Provider for Prior Authorization of a service or supply, the Member or Provider may appeal the denial to the Grievance Review Committee (see Section 10, Appeals Procedures).

### 3.4 Services Requiring Prior Authorization

All Covered Services not provided by the Member's PCP require written Prior Authorization from the PCP and HPN's Managed Care Program. The following Covered Services require Prior Authorization and review through HPN's Managed Care Program.

- Non-emergency Inpatient admissions and extensions of stay beyond the original certified length of stay in a Hospital, Skilled Nursing Facility or Hospice.

# Agreement of Coverage

- All outpatient surgery provided in any setting, including technical and professional services.
- Diagnostic and Therapeutic Services.
- Home Healthcare Services.
- Severe Mental Illness, Mental Health and Substance Abuse Services.
- All Specialist visits or consultations.
- Prosthetic Devices and Orthotic Devices.
- Courses of treatment, including but not limited to allergy testing or treatment (e.g., skin, RAST); angioplasty; anti-cancer drug therapy; dialysis; physiotherapy or Manual Manipulation; or rehabilitation therapy (physical, speech, occupational).

## 3.5 Emergency Admission Notification

The Member must report all emergency admissions to the Member Services Department within 24 hours of admission or as soon as reasonably possible to authorize continued care by calling (702) 242-7300 or 1-800-777-1840.

All emergency admissions are reviewed Retrospectively to determine if the treatment received was Medically Necessary and appropriate and was for Emergency Services as defined in this AOC. If such Emergency Services are provided by Non-Plan Providers, all Medically Necessary professional, Inpatient or outpatient Emergency Services will be Covered Services.

## 3.6 Independent Medical Review; Appeals Rights

HPN may require a Member to have an Independent Medical Review prior to issuing Prior Authorization for any medical benefits. In that case, only a Physician or Chiropractor who is certified to practice in the same field of practice as the primary treating Physician or Chiropractor or who is formally educated in that field will conduct the review.

The Independent Medical Review will include a physical exam of the Member and a personal review of all x-rays and reports made by the primary treating Physician or Chiropractor. A certified copy of all reports of findings will be sent to the primary treating Physician or Chiropractor and the Member within ten (10) working days after the review.

If the Member disagrees with the findings of the review, he may submit an appeal for binding arbitration to HPN within thirty (30) days after he receives the report.

The arbiter will be selected by mutual agreement of HPN and the Member. The cost and expense for filing arbitration shall be paid by the party initiating the demand for arbitration. The arbiter may award arbitration fees, expenses, and compensation in an equitable fashion, in favor of any party. The decision of the arbiter shall be binding upon the Member and HPN, and the arbiter's ruling shall be enforceable pursuant to state law.

Please refer to Section 10, Appeals Procedures in this AOC for more information.

## 3.7 Appeals Rights

All decisions of HPN's Managed Care Program may be appealed by the Member through the Appeals Procedure. If an imminent and serious threat to the health of the Member exists, the appeal will be directed to HPN's Medical Director.

## SECTION 4. Obtaining Covered Services

This section tells you under what conditions services are available under this Plan and your obligations as a Member. You should also carefully review the Exclusions and Limitations Sections (Section 6 and Section 7 respectively) prior to obtaining any healthcare services.

- Provide at least twenty-four (24) hours prior notice of cancellation of an appointment with a Provider.
- Make timely payment of Copayment amounts due to Providers.

## 4.3 Continuity of Care from Plan Providers

Termination of a Plan Provider's contract will not release the Provider from treating a Member, except for reasons of medical incompetence or professional misconduct as determined by HPN.

Coverage provided under this section is available until the latest of the following dates:

- The 120th day following the date the contract was terminated between the Provider and HPN.

The Member or Plan Provider may submit a request for continuity of care to the address shown below. If the Plan agrees to the continued treatment, the Plan will pay for Covered Services at the Plan Provider level of benefits for a limited time, as outlined above. The Plan Provider may not seek payment from the Member for any amounts for which the Member would not be responsible if the Provider were still a Plan Provider.

# Agreement of Coverage

Service Area shall be limited to the average payment which HPN makes to Plan Providers in HPN's Service Area.

## 7.4 Preexisting Condition Limitation

This section explains how long a Member must wait before benefits are available under this Plan for treatment of a Preexisting Condition. A Preexisting Condition is a physical or mental condition, regardless of the cause of the condition, for which medical advice, diagnosis, care or treatment was recommended or received within the six (6) month period ending on the Member's Enrollment Date under this Plan. No Preexisting Condition limitation will apply to the following:

- Any Member under the age of 19.
- Complications of Pregnancy.
- A condition based solely on genetic information, unless the Member is diagnosed with the condition.

The maximum limitation period for a Preexisting Condition is twelve (12) months after the Member's Enrollment Date. However, if a Member requires no treatment for a Preexisting Condition during the first six (6) months of coverage under this Plan, the Preexisting Condition limitation will expire at the end of such six (6) month period.

The Preexisting Condition limitation will not apply to, or will be reduced for, any Member who demonstrates that no Preexisting Condition limitation should be applied to his healthcare coverage by supplying a Certificate of Creditable Coverage. The Preexisting Condition limitation period will be reduced by the amount of any Creditable Coverage which the Member demonstrates to the satisfaction of HPN.

### Reinstatement under the Uniformed Services Employment and Reemployment Rights Act (USERRA).

1. Except as provided in (2) below, if a Member's coverage was terminated due to Subscriber's service in the uniformed services, no Preexisting Condition limitation shall be imposed upon reinstatement of the Member's coverage if the Preexisting Condition limitation would not have been imposed in the absence of termination of the Member's coverage.
2. Section (1) above does not apply to the coverage of any Illness or Injury determined to have been incurred in, aggravated during, the performance of service in the uniformed services.

## 7.5 Creditable Coverage

**Credit for Prior Coverage.** The period of any Preexisting Condition limitation under this Plan will be reduced by the number of days of Creditable Coverage without a Significant Break in Coverage that the Member has as of the Enrollment Date. Any days accumulated during a Waiting Period for a determination of coverage under this Plan are not counted towards a Significant Break in Coverage.

**Certificates of Creditable Coverage.** If a Member had prior qualified healthcare coverage, the previous employer or insurance carrier is required to provide a certificate proving prior coverage (a "Certificate of Creditable Coverage").

**Creditable Coverage.** A Member must submit to HPN, a Certificate of Creditable Coverage from the previous plan or carrier, or other proof of prior coverage, acceptable to HPN, in order to receive credit for Creditable Coverage. Coverage prior to a Significant Break in Coverage is not credited toward any Preexisting Condition limitation period.

## 7.6 Maternity

No benefits will be paid for pregnancy or childbirth under this Plan, except when provided in connection with Complications of Pregnancy or pre-natal Preventive Healthcare Services.

Treatment for Complications of Pregnancy will be treated the same as any other Illness.

## SECTION 8. Premium Payments, Grace Period and Changes in Premium Rates

This section tells you when premium payments are due, what happens when payments are not received and when premium rates can change.

### 8.1 Monthly Payments

The first day of any calendar month is the premium due date. On or before the premium due date, the Subscriber shall remit to HPN, on behalf of the Subscriber and his covered Family Members the premium amount specified by HPN.

### 8.2 Grace Period

Only Members for whom premium payment is actually received by HPN shall be entitled to Covered Services

# Agreement of Coverage

hereunder and then only for the period for which such payment is received. If any required payment on behalf of a Member is not received by the premium due date and premium is not made within the thirty-one (31) day grace period, starting on the premium due date, all rights of such Member hereunder shall terminate as of the last day for which premium payments have been made. Coverage may be reinstated only by renewed application and re-enrollment in accordance with all requirements of this Agreement. HPN shall not be liable for any healthcare services incurred by any Member beyond the period for which the premium payments shall have been paid, and HPN shall be entitled to receive reimbursement from the Subscriber for any claims paid by HPN for services provided after the date of termination.

## 8.3 Changes in Premium Payments

HPN reserves the right to establish a revised schedule of premium payments provided it gives the Subscriber sixty (60) days prior written notice.

## SECTION 9. General Provisions

### 9.1 Relationship of Parties

The relationship between HPN and Plan Providers is an independent contractor relationship. Plan Providers are not agents or employees of HPN; nor is HPN, or any employee of HPN, an employee or agent of a Plan Provider. HPN is not liable for any claim or demand on account of damages as a result of, or in any manner connected with, any Injury suffered by a Member while receiving care from any Plan Provider or in any Plan Provider's facility. HPN is not bound by statements or promises made by its Plan Providers.

### 9.2 Entire Agreement

This AOC, including Attachment A Benefit Schedule and any other Attachments, Endorsements, Riders or Amendments to it, the Member's Enrollment Application Form, health statements, Member Identification Card, and all other applications received by HPN constitutes the entire agreement between the Member and HPN and as of its Effective Date, replaces all other agreements between the parties. For the duration of time a Member's coverage is continuously effective under HPN, regardless of the occurrence of any specific Plan or product changes during such time, all benefits paid by HPN under any and all such Plans on behalf of such Member shall accumulate towards any applicable lifetime or other maximum benefit amounts as stated in the Member's most current Plan Attachment A Benefit Schedule to the AOC.

### 9.3 Contestability

Any and all statements made to HPN by any Subscriber or Dependent, will, in the absence of fraud, be considered representations and not warranties. Also, no statement, unless it is contained in a written application for coverage, shall be used in defense to a claim under this agreement.

### 9.4 Authority to Change the Form or Content of AOC

No agent or employee of HPN is authorized to change the agreement or waive any of its provisions. Such changes can be made only through an amendment authorized and signed by an officer of HPN.

### 9.5 Identification Card

Cards issued by HPN to Members are for identification only. Possession of the HPN identification card does not give right to services or other benefits under this Plan. To be entitled to such services or benefits, the holder of the card must in fact be a Member and all applicable premiums must actually have been paid. Any person not entitled to receive services or other benefits will be liable for the actual cost of such services or benefits.

### 9.6 Notice

Any notice under this Plan may be given by United States mail, first class, postage paid, addressed as follows:

Health Plan of Nevada, Inc.

P.O. Box 15645

Las Vegas, Nevada 89114 5645

Notice to a Member will be sent to the Member's last known address.

### 9.7 Interpretation of AOC

The laws of the jurisdiction of issue shall be applied to interpretation of this AOC. Where applicable, the interpretation of this AOC shall be guided by the direct-service nature of HPN's operation as opposed to a fee-for-service indemnity basis.

### 9.8 Assignment

This Plan is not assignable without the written consent of HPN. The coverage and any benefits under this Plan are not assignable by any Member without the written consent of HPN.

# *Agreement of Coverage*

## **9.9 Modifications**

This Plan is subject to amendment, modification and termination with sixty (60) days written notice to the Member. This Plan will automatically be modified to conform with any State or Federal law requirements.

By electing medical coverage with HPN or accepting benefits under this Plan, all Members legally capable of contracting, and the legal representatives of all Members incapable of contracting, agree to all of the terms and provisions.

## **9.10 Clerical Error**

Clerical error in keeping any record pertaining to the coverage will not invalidate coverage in force or continue coverage terminated.

## **9.11 Policies and Procedures**

HPN may adopt reasonable policies, procedures, rules and interpretations to promote the orderly and efficient administration of this Plan with which Members shall comply. These policies and procedures are maintained by HPN at its offices. Such policies and procedures may have bearing on whether a medical service and/or supply is covered.

## **9.12 Overpayments**

HPN has the right to collect payments for healthcare services made in error. Hospitals, Physicians, other Providers, and/or the Subscriber have the responsibility to return any overpayments or incorrect payments to HPN. HPN has the right to offset any overpayment against any future payments.

## **9.13 Cost Containment Features**

This Plan contains at least the following cost containment provisions:

- (a) Preventive healthcare benefits.
- (b) HPN's Managed Care Program.
- (c) Benefit limitations on certain services.
- (d) Member Copayments.

## **9.14 Release of Records.**

Each Member authorizes the Physician, Hospital, Skilled Nursing Facility or any other Provider of healthcare to permit the examination and copying of the Member's medical records, as requested by HPN.

Information from medical records and information received from Physicians or Hospitals incident to the Physician/Patient relationship or Hospital/Patient relationship shall be kept confidential and except for use in connection with government requirements established by law or the administration of this Plan, records may not be disclosed to any unrelated third party without the Member's consent.

## **9.15 Reimbursement for Claims**

Non-Plan Providers may require immediate payment for their services and supplies. When seeking reimbursement from HPN for expenses incurred in connection with services received from Non-Plan Providers, the Member must complete a Non-Plan Provider Claim Form and submit it to the HPN Claims Department with copies of all of the medical records, bills and/or receipts from the Provider. Non-Plan Provider Claim Forms can be obtained by contacting the Member Services Department at (702) 242-7300 or 1-800-777-1840.

If the Member receives a bill for Covered Services from a Non-Plan Provider, the Member may request that HPN pay the Provider directly by sending the bill, with copies of all medical records and a completed Non-Plan Provider Claim Form to the HPN Claims Department.

HPN shall approve or deny a claim within thirty (30) days after receipt of the claim. If the claim is approved, the claim shall be paid within thirty (30) days from the date it was approved. If the approved claim is not paid within that thirty (30) day period, HPN shall pay interest on the claim at the rate set forth by applicable Nevada law. The interest will be calculated from thirty (30) days after the date on which the claim is approved until the date upon which the claim is paid.

HPN may request additional information to determine whether to approve or deny the claim. HPN shall notify the Provider of its request for additional information within twenty (20) days after receipt of the claim. HPN will notify the Provider of the healthcare services of all the specific reasons for the delay in approving or denying the claim. HPN shall approve or deny the claim within thirty (30) days after receiving the additional information. If the claim is approved, HPN shall pay the claim within thirty (30) days after it receives the additional information. If the approved

# Agreement of Coverage

claim is not paid within that time period, HPN shall pay interest on the claim in the manner set forth above.

If HPN denies the claim, notice to the Member will include the reasons for the rejection and the Member's right to file a written complaint as set forth in the Appeals Procedures section herein.

## 9.16 Timely Filing Requirements

All claims must be submitted to HPN within sixty (60) days from the date expenses were incurred, unless it shall be shown not to have been reasonably possible to give notice within the time limit, and that notice was furnished as soon as was reasonably possible. If Member authorizes payment directly to the Provider, a check will be mailed to that Provider. A check will be mailed to the Member directly if payment directly to the Provider is not authorized. Member will receive an explanation of how the payment was determined.

No payments shall be made under this Plan with respect to any claim, including additions or corrections to a claim which has already been submitted, that is not received by HPN within twelve (12) months after the date Covered Services were provided. In no event will HPN pay more than HPN's Eligible Medical Expense for such services.

## 9.17 Gender References

Whenever a masculine pronoun is used in this AOC, it also includes the feminine pronoun.

## 9.18 Legal Proceedings

No action of law or equity shall be brought to recover on the Plan prior to the expiration of sixty (60) days after proof of claim has been filed according to the requirements of the Plan. No such action shall be brought at any time unless brought within the time limit allowed by the laws of the jurisdiction of issue.

If the laws of the jurisdiction of issue do not designate the maximum length of time in which such action may be brought, no action may be brought after the expiration of three (3) years from the time proof of loss is required by the Plan.

## 9.19 Availability of Providers

HPN does not guarantee the continued availability of any Plan Provider.

## 9.20 Physician Incentive Plan Disclosure

You are entitled to ask if HPN has special financial arrangements with their contracted Physicians that may affect Referral services, such as lab tests and hospitalizations that you might need. To receive information regarding contracted Physician payment arrangements, please call the Member Services Department at (702) 242-7300 or 1-800-777-1840. This information will be sent to you within thirty (30) days of the date that you make your request.

HPN will provide information on the financial arrangements that they have with their contracted Physicians to any requesting Member. The following information is available upon request, to current, previous and potential Plan Members:

1. Whether HPN's Managed Care Organization contracts or subcontracts include Physician incentive plans that affect the use of Referral services.
2. Information on the type of arrangements used.
3. Whether special insurance called stop-loss protection is required for Physicians or Physician's groups.

## 9.21 Authorized Representative

A Member may elect to designate an "Authorized Representative" to act on their behalf to pursue a Claim for Benefits or the appeal of an Adverse Benefit Determination. The term Member also includes the Member's Authorized Representative, where applicable and appropriate. To designate an Authorized Representative, a written notice, signed and dated by the Member, is required. The notice must include the full name of the Authorized Representative and must indicate specifically for which Claim for Benefits or appeal the authorization is valid. The notice should be sent to:

Health Plan of Nevada, Inc.

Attn: Customer Response and

Resolution Dept.

P.O. Box 15645

Las Vegas, NV 89114-5645

Any correspondence from HPN regarding the specified Claim for Benefits or appeal will be provided to both the Member and his Authorized Representative.

In case of an Urgent Care Claim, a healthcare professional with knowledge of the Member's medical condition shall be

# Agreement of Coverage

permitted to act as an Authorized Representative of the Member without designation by the Member.

## 9.22 Failure to Obtain Prior Authorization

All requests for Prior Authorization must be initiated by the Member's Physician. If a Physician or Member fails to follow the Plan's procedures for filing a request for Prior Authorization (Pre-Service Claim), the Member shall be notified of the failure and the proper procedures to be followed in order to obtain Prior Authorization provided the Member's request for Prior Authorization is received by an employee or department of the Plan customarily responsible for handling benefit matters and the original request specifically named the Member, a specific medical condition or symptom, and a specific treatment, service or product for which approval is requested. The Member notification of correct Prior Authorization procedures from the Plan shall be provided as soon as possible, but not later than five (5) days (twenty-four (24) hours in the case of an Urgent Care Claim) following the Plan's receipt of the Member's original request. Notification by HPN may be oral unless specifically requested in writing by the Member.

## 9.23 Timing of Notification of Benefit Determination

**Concurrent Care Decision:** If HPN has approved an ongoing course of treatment to be provided over a period of time or number of treatments and reduces or terminates coverage of such course of treatment (other than by Plan amendment or termination) before the end of such period of time or number of treatments, HPN will notify the Member at a time sufficiently in advance of the reduction or termination to allow the Member to appeal and obtain a determination before the benefit is reduced or terminated. Subject to the paragraph below, such request may be treated as a new Claim for Benefits and decided within the timeframes applicable to either a Pre-Service Claim or a Post-Service Claim as appropriate. Provided, however, any appeal of such a determination must be made within a reasonable time and may not be afforded the full 180 day period as described in the Appeals Procedures section herein.

Any request by a Member to extend the course of treatment beyond the period of time or number of treatments for an Urgent Care Claim shall be decided as soon as possible. HPN shall notify the Member within twenty-four (24) hours after receipt of the Claim for Benefits by the Plan, provided that the request is received at least twenty-four (24) hours prior to the expiration of the authorized period of time or number of treatments. If the request is not made at least twenty-four (24) hours prior to the expiration of the authorized period of time or

number of treatments, the request will be treated as an Urgent Care Claim.

## 9.24 Notification of an Adverse Benefit Determination

If you receive an Adverse Benefit Determination, you will be informed in writing of the following:

- The specific reason or reasons for upholding the Adverse Benefit Determination;
- Reference to the specific Plan provisions on which the determination is based;
- A description of any additional material or information necessary for the Claim for Benefits to be approved, modified or reversed, and an explanation of why such material or information is necessary;
- A description of the review procedures and the time limits applicable to such procedures;
- For Member's whose coverage is subject to ERISA, a statement of the Member's right to bring a civil action under ERISA Section 502(a) following an appeal of an Adverse Benefit Determination, if applicable;
- A statement that any internal rule, guideline, protocol or other similar criteria that was relied on in making the determination is available free of charge upon the Member's request; and
- If the Adverse Benefit Determination is based on Medical Necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment or a statement that such explanation will be provided free of charge.

## SECTION 10. Appeals Procedures

The HPN Appeals Procedures are available to you in the event you are dissatisfied with some aspect of the Plan administration or you wish to appeal an Adverse Benefit Determination. This procedure does not apply to any problem of misunderstanding or misinformation that can be promptly resolved by the Plan supplying the Member with the appropriate information.

If a Member's Plan is governed by ERISA, the Member must exhaust the mandatory level of mandatory appeal before bringing a claim in court for a Claim of Benefits.

Concerns about medical services are best handled at the medical service site level before being brought to HPN. If a Member contacts HPN regarding an issue related to the

# Agreement of Coverage

medical service site and has not attempted to work with the site staff, the Member may be directed to that site to try to solve the problem there, if the issue is not a Claim for Benefits.

Please see the Glossary Terms Section herein for a description of the terms used in this section.

The following Appeals Procedures will be followed if the medical service site matter cannot be resolved at the site or if the concern involves the Adverse Benefit Determination of a Claim for Benefits. All Appeals will be adjudicated in a manner designed to ensure independence and impartiality on the part of the persons making the decision.

**Formal Appeal:** An appeal of an Adverse Benefit Determination filed either orally or in writing which HPN's Customer Response and Resolution Department investigates. If a Formal Appeal is resolved to the satisfaction of the Member, the appeal is closed. The Formal Appeal is **mandatory** if the Member is not satisfied with the initial determination and the Member wishes to appeal such determination.

**Member Services Representative:** An employee of HPN that is assigned to assist the Member or the Member's Authorized Representative in appealing an Adverse Benefit Determination.

## 10.1 Formal Appeal

A Formal Appeal must be submitted orally or in writing to HPN's Customer Response and Resolution Department within 180 days of an Adverse Benefit Determination. Formal Appeals not filed in a timely manner will be deemed waived with respect to the Adverse Benefit Determination to which they relate.

A Formal Appeal shall contain at least the following information:

- The Member's name (or name of Member and Member's Authorized Representative), address, and telephone number;
- The Member's HPN membership number ; and
- A brief statement of the nature of the matter, the reason(s) for the appeal, and why the Member feels that the Adverse Benefit Determination was wrong.

Additionally, the Member may submit any supporting medical records, Physician's letters, or other information that explains why HPN should approve the Claim for Benefits. The Member can request the assistance of a Member Services Representative at any time during this process.

The Formal Appeals should be sent or faxed to the following:

Health Plan of Nevada, Inc.  
Attn: Customer Response and Resolution Department  
P.O. Box 15645  
Las Vegas, NV 89114-5645  
Fax: 1-702-266-8813

HPN will investigate the appeal. When the investigation is complete, the Member will be informed in writing of the resolution within thirty (30) days of receipt of the request for the Formal Appeal. This period may be extended one (1) time by HPN for up to fifteen (15) days, provided that the extension is necessary due to matters beyond the control of HPN and HPN notifies the Member prior to the expiration of the initial thirty (30) day period of the circumstances requiring the extension and the date by which HPN expects to render a decision. If the extension is necessary due to a failure of the Member to submit the information necessary to decide the claim, the notice of extension shall specifically describe the required information and the Member shall be afforded at least forty-five (45) days from receipt of the notice to provide the information.

If the Formal Appeal results in an Adverse Benefit Determination, the Member will be informed in writing of the following:

- The specific reason or reasons for upholding the Adverse Benefit Determination;
- Reference to the specific Plan provisions on which the determination is based;
- A statement that the Member is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Member's Claim for Benefits;
- A statement that any internal rule, guideline, protocol or other similar criteria that was relied on in making the determination is available free of charge upon the Member's request; and
- If the Adverse Benefit Determination is based on Medical Necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment or a statement that such explanation will be provided free of charge as well as information regarding the Member's right to request an External Review by the State of Nevada's Office for Consumer Health Assistance (OCHA).

Limited extensions may be required if additional information is required in order for HPN to reach a resolution.

# Agreement of Coverage

## 10.2 Expedited Appeal

The Member can ask (either orally or in writing) for an Expedited Appeal of an Adverse Benefit Determination for a Pre-Service Claim that involves an Urgent Care Claim if the Member or his Physician believe that the health of the Member could be seriously harmed by waiting for a routine appeal decision. Expedited Appeals are not available for appeals regarding denied claims for benefit payment (Post-Service Claim) or for Pre-Service Claims that are not Urgent Care Claims. Expedited Appeals must be decided no later than seventy-two (72) hours after receipt of the appeal, provided all necessary information has been submitted to HPN. If the initial notification was oral, HPN shall provide a written or electronic explanation to the Member within three (3) days of the oral notification.

If insufficient information is received, HPN shall notify the Member as soon as possible, but no later than twenty-four (24) hours after receipt of the claim of the specific information necessary to complete the claim. The Member will be afforded a reasonable amount of time, taking into account the circumstances, but not less than forty-eight (48) hours, to provide the specified information. HPN shall notify the Member of the benefit determination as soon as possible, but in no case later than forty-eight (48) hours after the earlier of:

- HPN's receipt of the specified information, or
- The end of the period afforded the Member to provide the specified information.

If the Member's Physician requests an Expedited Appeal, or supports a Member's request for an Expedited Appeal, and indicates that waiting for a routine appeal could seriously harm the health of the Member or subject the Member to unmanageable severe pain that cannot be adequately managed without care or treatment that is the subject of the Claim for Benefits, HPN will automatically grant an Expedited Appeal.

If a request for an Expedited Appeal is submitted without support of the Member's Physician, HPN shall decide whether the Member's health requires an Expedited Appeal. If an Expedited Appeal is not granted, HPN will provide a decision within thirty (30) days, subject to the routine appeals process for Pre-Service Claims.

## 10.3 Arbitration of Disputes of an Independent Medical Review

If the Member is dissatisfied with the findings of an Independent Medical Review, the Member shall have the right to have the dispute submitted to binding arbitration before an arbiter under the commercial arbitration rules

applied by the American Arbitration Association. This review is in place of HPN's Appeals Procedures.

The arbiter will be selected by mutual agreement of HPN and the Member. The cost and expense of the arbitration shall be paid by HPN. The decision of the arbiter shall be binding upon the Member and HPN.

## 10.4 External Review

HPN offers to the Member or the Member's Authorized Representative the right to an External Review of an adverse determination. For the purposes of this section, a Member's Authorized Representative is person to whom a Member has given express written consent to represent the Member in an External Review of an adverse determination; or a person authorized by law to provide substituted consent for a Member; or a family member of a Member or the Member's treating provider only when the Member is unable to provide consent.

Adverse determinations eligible for External Review set forth in this section are only those relating to Medical Necessity, appropriateness of service, healthcare service, healthcare setting, or level of care or effectiveness of a healthcare service. HPN will provide the Member notice of such an adverse determination which will include the following statement:

HPN has denied your request for the provision or payment of a requested healthcare service or course of treatment. You may have the right to have our decision reviewed by health care professionals who have no association with us if our decision involved making a judgment as to the Medical Necessity, appropriateness, health care setting, level of care or effectiveness of the health care service or treatment you requested by submitting a request for External Review to the Office for Consumer Health Assistance.

Additionally, as per applicable law and regulations, the notice will provide the Member the information outlined in Section 10.2 as well as the following:

- The telephone number for the Office for Consumer Health Assistance for the state of jurisdiction of the health carrier and the state in which the Member resides.
- The right to receive correspondence in a culturally and linguistically appropriate manner.

The notice to the Member or the Member's Authorized Representative will also include a HIPAA compliant authorization form by which the Member or the Member's Authorized Representative can authorize HPN and the Member's Physician to disclose protected health

# Agreement of Coverage

information (“PHI”), including medical records, that are pertinent to the External Review, and any other forms as required by Nevada law or regulation.

The Member or the Member’s Authorized Representative may submit a request directly to OCHA for an External Review of an adverse determination by an Independent Review Organization (“IRO”) within four (4) months of the Member or the Member’s Authorized Representative receiving notice of such determination. The IRO must be certified by the Nevada Division of Insurance. Requests for an External Review must be made in writing and submitted to OCHA at the address below and should include the signed HIPAA authorization form, authorizing the release of your medical records. The entire External Review process and any associated medical records are confidential.

Office for Consumer Health Assistance  
555 East Washington Avenue #4800  
Las Vegas NV 89101  
(702) 486-3587  
(888) 333-1597

The determination of an IRO concerning an External Review in favor of the Member of an adverse determination is final, conclusive and binding. Upon receipt of the notice of a decision by the IRO reversing an adverse determination, HPN shall immediately approve coverage of the recommended or requested health care service or treatment that was the subject of the adverse determination. The cost of conducting an External Review of an adverse determination will be paid by HPN.

## 10.4.a Standard External Review

The Member may submit a request for an External Review of an adverse determination under this section only after the Member has exhausted the internal HPN Appeals Procedures provided under this Plan and if HPN fails to issue a written decision to the Member within thirty (30) days after the date the appeal was filed, and the Member or Member’s Authorized Representative did not request or agree to a delay or, if HPN agrees to permit the Member to submit the adverse determination to OCHA without requiring the Member to exhaust all internal HPN appeals procedures. In such event, the Member shall be considered to have exhausted the internal HPN appeals process.

Within five (5) days after OCHA receives a request for External Review, OCHA shall notify the Member, the Member’s Authorized Representative and HPN that such request has been received and filed. As soon as practical, OCHA shall assign an IRO to review the case.

Within five (5) days after receiving notification specifying the assigned IRO from OCHA, HPN shall provide to the selected IRO all documents and materials relating to the adverse determination, including, without limitation:

- Any medical records of the Member relating to the adverse determination;
- A copy of the provisions of this Plan upon which the adverse determination was based;
- Any documents used and the reason(s) given by HPN’s Managed Care Program for the adverse determination; and
- If applicable, a list that specifies each Provider who provided healthcare to the Member and the corresponding medical records from the Provider relating to the adverse determination.

Within five (5) days after the IRO receives the required documentation from HPN, they shall notify the Member or the Member’s Authorized Representative, if any additional information is required to conduct the review. If additional information is required, it must be provided to the IRO within five (5) days after receiving the request. The IRO will forward a copy of the additional information to HPN within one (1) business day after receipt.

The IRO shall approve, modify, or reverse the adverse determination within fifteen (15) days after it receives the information required to make such a determination. The IRO shall submit a copy of its determination, including the basis thereof, to the:

- Member;
- Member’s Physician;
- Member’s Authorized Representative, if any; and
- HPN.

## 10.4.b Expedited External Review

A request for an Expedited External Review may be submitted to OCHA after it receives proof from the Member’s Provider that the adverse determination concerns:

- An inpatient admission;
- availability of inpatient care;
- continued stay or health care service for Emergency Services while still admitted to an inpatient facility; or
- failure to proceed in an expedited manner may jeopardize the life or health of the Member.

The OCHA shall approve or deny this request for Expedited External Review with seventy-two (72) hours after receipt of the above required proof. If OCHA approves the request, it shall assign the request to an IRO no later than one (1) business day after approving the request. HPN will

## Agreement of Coverage

supply all relevant medical documents and information used to establish the adverse determination to the IRO within twenty-four (24) hours after receiving notice from the OCHA.

The IRO shall complete its Expedited External Review within forty-eight (48) hours after initially being assigned the case unless the Member or the Member's Authorized Representative and HPN agree to a longer time period.

The IRO shall notify the following parties no later than twenty-four (24) hours after completing its Expedited External Review:

- Member;
- Member's Physician;
- Member's Authorized Representative, if any; and
- HPN.

The IRO shall then submit a written copy of its determination within forty-eight (48) hours to the applicable parties listed above.

### **10.5 Request for an External Review Due to Denial of Experimental or Investigational Healthcare Service or Treatment.**

A Standard or Expedited External Review of an adverse determination due to a requested or recommended healthcare service or treatment being deemed experimental or investigational, is available in limited circumstances as outlined in the following sections.

#### **10.5.a Standard External Review**

The Member or Member's Authorized Representative may within four (4) months after receiving notice of an adverse determination subject to this section, submit a request to the OCHA for an External Review.

OCHA will notify HPN and/or any other interested parties within one (1) business day after the receipt of the request for External Review. Within five (5) business days after HPN receives such notice and, subject to applicable Nevada law and regulation and pursuant to this section, HPN will make a preliminary determination of whether the case is complete and eligible for External Review according to Nevada law and regulations.

Within one (1) business day of making such a determination, HPN will notify in writing, the Member or the Member's Authorized Representative and OCHA, accordingly. If HPN determines that the case is incomplete and/or ineligible, HPN will notify the Member in writing of such determination. Such notice shall include the required additional information or

materials needed to make the request complete and, if applicable, state the reasons for ineligibility and also state that such determination may be appealed to OCHA. Upon appeal, OCHA may overturn HPN's determination that a request for External Review of an adverse determination is ineligible, and submit the request to External Review, subject to all of the terms and provisions of this Plan and applicable Nevada law and regulation.

An oral request for an Expedited External Review may be submitted directly to the OCHA upon the written submission of proof from the Member's Provider to OCHA that such service or treatment would be significantly less effective if not promptly initiated. Upon receipt of such request and proof, the OCHA shall immediately notify HPN accordingly.

HPN will immediately determine if the request meets the requirements for Expedited External Review pursuant to this section and notify the Member or the Member's

Authorized Representative and the OCHA of the determination. If HPN determines the request to be ineligible, the Member will be notified that the request may be appealed to OCHA.

The IRO has one (1) business day to select one or more clinical reviewers. HPN must submit the documentation used to support the adverse determination to the IRO within five (5) business days. If HPN fails to provide the information within the specified time, the IRO may terminate the External Review and reverse the adverse determination.

The Member or Member's Authorized Representative may, within five (5) business days after receiving notice of the assigned IRO, submit any additional information in writing to the IRO. Any information submitted by the Member or the Member's Authorized Representative after five (5) business days to the IRO may be considered as well. Any information received by the Member or the Member's Authorized Representative must be submitted to HPN by the IRO within one (1) business day.
