What's an HSA?

A Health Savings Account (HSA) is an account that you own containing money to pay for medical expenses for you and your family members. It may help to think of your HSA as a "healthcare IRA."

An HSA gives you more control over your healthcare costs. You decide how to spend your healthcare dollars. You decide which doctors to see, what procedures are best for you, and how your money is spent. Best of all, you can save your money for future healthcare needs.

Health Savings Accounts are combined with a qualified High Deductible Health Plan (HDHP), such as Elect HSA, to offer a more affordable approach to healthcare.

Wellness and Health Management

These extra services are not insurance, but are offered in addition to your medical plan to help you take charge of your health.

Travel Emergency Assistance Program

If you experience a medical emergency while traveling 100 or more miles from home or abroad, you can access services provided by Assist America® Global Emergency Services at no cost.

- Receive **Jenny Craig®** program discounts: Free 30-Day Trial Program, 25% off a Premium Program.

Tobacco Cessation

Our program includes one-on-one treatment sessions with a professional Quit Coach to help you quit tobacco use for good. You'll also receive a Quit Kit with nicotine replacement therapy supplies (nicotine gum or patches) to help keep you on track.

Health and Wellness Education

You can receive a reimbursement of up to \$50 per eligible health and wellness class or series offered by hospitals (up to \$150 per member per calendar year).

Elect Dental to Complement Your Medical Plan

Plan and Provider Network Highlights

Elect Dental coverage features quality benefits covering your family’s needs, savings through low out-of-pocket expense, and quality care from Advantage Dental Network dentists.

Diagnostic and preventive care services are fully covered. Routine examinations, cleanings, x-rays, sealants, and space maintainers are covered at 100 percent when you receive these services from an Advantage Dental Network dentist.

Save out-of-pocket expense. Your deductible is zero when you see an Advantage Dental Network dentist.

Your annual maximum benefit grows over three years. You will have a \$750 annual maximum the first year, \$1,000 the second year, and \$1,250 the third year and after.

The Advantage Dental Network includes dentists throughout Oregon. Advantage Dental Network and their contracted network dentists encourage preventive care services to help you maintain your dental health and avoid severe problems.

Out-of-network provider coverage: You may choose to see an out-of-network dentist (a dentist who is not a member of the Advantage Dental Network). Deductibles apply, and we cover these services based on Advantage Dental Network usual, customary, and reasonable charges.
