Secure STM

Temporary protection.
Lasting peace of mind.

Secure STM provides affordable medical coverage for recent grads, those in between jobs and others who are temporarily uninsured.

Underwritten by Standard Security Life Insurance Company of New York, a member of The IHC Group, an insurance organization composed of Independence Holding Company (NYSE:IHC) and its operating subsidiaries. Accidents and illnesses are impartial to your insurance status.

They can happen at any time—to anyone—and may cause serious financial hardship.

When life leaves you temporarily uninsured, the Secure STM insurance plan helps protect you in the meantime. Secure STM is short-term medical (STM) insurance available for 30 days to 12 months and provides coverage for unexpected medical expenses.*

Life changes

While the need for short-term coverage may be anticipated after college graduation, there are employment or life changes that also present the need for temporary medical insurance.

▮ Newly hired

Often an employer-sponsored plan will have a waiting period before health insurance benefits begin, which means you will need coverage to bridge the gap.

▮ Between jobs

If you've recently been laid off or let go from your job, you may need coverage until you secure another position with benefits.

▮ Return from active military duty

Once you arrive home from active duty, STM provides coverage while you transition and look for employment with benefits.

Filling the gap

Coverage can begin as early as the day following your online application submission and last up to 12 months.* Most states also allow you to re-apply and extend coverage on a new Secure STM plan if your temporary need for health coverage continues.

* *Varies by state availability.*

Secure STM Plan selections

Deductible

The selected deductible amount must be paid by the insured person before plan benefits begin. The deductible applies per covered person, per coverage period.

- ▮ \$1,000
- ▮ \$2,500
- ▮ \$5,000

Family deductible

When 3 covered persons in a family each satisfy their deductible, the deductibles for any remaining covered family members are deemed satisfied for the remainder of the coverage period.

Coinsurance

The selected coinsurance is the percent paid by the Secure STM plan after the deductible has been met. Once \$10,000 in covered charges have been applied to the coinsurance percentage, additional covered charges within the coverage period are paid at 100 percent up to the maximum benefit. The out-of-pocket amount is the responsibility of the insured person.

- ▮ 80% of the next \$10,000 (\$2,000 out-of-pocket after deductible)
- ▮ 50% of the next \$10,000 (\$5,000 out-of-pocket after deductible)

Payments to suit your situation

Secure STM offers two options for payment: monthly or single. Payments may be made monthly for up to 6 or 12 months using check, money order, credit card or automatic bank withdrawal. If your need for coverage ends earlier than expected, simply send written notification.

If you know exactly how many days you need coverage, you can pay the entire premium up front at a reduced rate. Single payments can be made for a minimum of 30 days to a maximum of 180 days by automatic bank withdrawal, check, money order or credit card.

PPO networks

With a Secure STM plan, you have access to discounted medical services through two national preferred provider organizations (PPOs). These network providers have agreed to negotiated prices for their services and supplies. While you have the flexibility to choose any health care provider, the discounts available through network providers for covered services will help to lower your out-of-pocket costs.

ACS—www.anci-care.com

A comprehensive network of 38,000 ancillary service providers. ACS represents providers of outpatient services, including lab and diagnostic testing, but it does not include physicians.

MultiPlan—www.multiplan.com

One of the nation's largest networks, MultiPlan has more than 500,000 providers in 50 states, including physicians, and inpatient and outpatient facilities.

ACS and MultiPlan are not affiliated with Standard Security Life Insurance Company of New York, nor are they part of this insurance plan.

To search for a network health care provider or facility, please visit the websites listed above. At the time of service, simply present your identification card, which will include the network information needed for the provider to correctly process covered billed charges.

Maximum benefit

\$2 million is the maximum amount of covered charges that will be considered under the Secure STM plan per covered person, per coverage period.

Covered expenses¹

Covered expenses are limited by the usual, reasonable and customary charge as well as any benefit-specific maximum. Pre-existing condition limitation

Secure STM will not provide benefits for any loss caused by or resulting from a pre-existing condition. A pre-existing condition is any medical condition or sickness for which medical advice, care, diagnosis, treatment, consultation or medication was recommended or received from a doctor within five years immediately preceding the covered person effective date of coverage; or symptoms within the five years immediately prior to the coverage that would cause a reasonable person to seek diagnosis, care or treatment.

Usual, reasonable, and customary charge

The usual, reasonable and customary charge for medical services or supplies is the lesser of: a) the amount usually charged by the provider for the service or supply given; and b) the average charged for the service or supply in the locality in which it is received. With respect to treatment of medical services, usual, reasonable and customary means treatment which is reasonable in relationship to the service or supply given and the severity of the condition. In reaching a determination as to what amount should be considered as usual, reasonable and customary, we may use and subscribe to a standard industry reference source that collects data and makes it available to its member companies.

Eligibility

Secure STM is available to all members of Communicating for America who are between the age of 18 to 64, their spouses, and dependent children up

to age 26.⁴ Each applicant must be able to qualify based on the plan's application questions and underwriting guidelines. Child-only coverage is available for ages 2 through 18.

⁴ *CA membership requirement varies by state.*

Effective date

Coverage begins as early as the day following your online application submission or the postmark date stamped on your envelope. You may request a later effective date up to 60 days after the application date. All coverage is subject to approval and payment of the first premium.

Satisfaction guaranteed

If you are not completely satisfied with this coverage and you have not filed a claim, you may return the certificate of insurance within 10 days and receive a premium refund.

Precertification

You must notify the professional review organization 10 days prior to a non-emergency hospital admission or surgery and 48 hours, or as soon as reasonably possible, following an emergency admission to the hospital. Failure to precertify will result in a benefit reduction of 50 percent. Precertification is not a guarantee of benefits.

Coverage length

Secure STM is specifically designed to fill a temporary insurance need. Coverage stops at the end of the period for which you apply. Depending on the payment option you select, coverage can continue for one to six months, or up to 12 months. The 12-month coverage option is not available in all states.

Continuing coverage

If your need for temporary health insurance continues, most states allow you to apply for another Secure STM plan. Your application is subject to eligibility, underwriting requirements and state availability of the coverage. The next coverage period is not a continuation of the previous period; it is a new plan with a new deductible, coinsurance and pre-existing condition limitation.

Coverage termination

Coverage ends on the earliest of the date the premium is not paid when due; you cease to be a member of the association⁵; the group master policy terminates; you enter full-time active duty in the Armed Forces; or Standard Security Life Insurance Company of New York determines fraud or misrepresentation has been made in filing a claim for benefits. A dependent's coverage ends on the earliest of the date your coverage terminates; or the dependent becomes eligible for Medicare; or the dependent ceases to be eligible.

⁵ *Applies only to states where association membership is required.*
