REQUIRED PROVISIONS

RENEWABILITY

This Policy is renewable at the option of the Policyholder so long as premiums are paid in a timely manner, the Policyholder has not performed an act or practice that constitutes fraud and VSP continues to offer this plan in the state of New York.

ENTIRE CONTRACT; CHANGES

This Policy, including the Schedule of Benefits, endorsements, and any other attached papers constitutes the entire contract of insurance. A change in this Policy is not valid until the change is approved by an executive officer of VSP and unless the approval is endorsed on or attached to this Policy. A broker or other agent does not have authority to change this Policy or to waive any of its provisions.

TIME LIMIT ON CERTAIN DEFENSES

After two (2) years from the date of issue of this Policy no misstatements, except fraudulent misstatements, made by You in the application for this Policy shall be used to void this Policy or to deny a claim for a loss incurred, as defined in this Policy, commencing after the expiration of such two-year period.

GRACE PERIOD

Unless, not less than thirty (30) days prior to the premium due date VSP has delivered to the Policyholder, or has mailed to the Policyholder's last address as shown by VSP's records, written notice of its intention not to renew this Policy beyond the period for which the premium has been accepted, a grace period of thirty-one (31) days will be granted for the payment of each premium falling due after the first premium.

REINSTATEMENT

If a renewal premium is not paid before the expiration of the period granted for the Policyholder to make the payment, a subsequent acceptance of the premium by VSP or any agent authorized by VSP to accept the premium, without requiring in connection with the acceptance an application for reinstatement, reinstates the Policy. [However, if VSP or its authorized agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the Policy will be reinstated on approval of the application by VSP or, if the application is not approved, on the 45th day after the date of the conditional receipt unless VSP before that date has notified the Policyholder in writing of VSP's disapproval of the application.] The Policyholder and VSP have the same rights under the reinstated Policy as they had under the Policy before the due date of the defaulted premium, subject to any provisions endorsed in the Policy or attached to the Policy in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not previously been paid, but not to any period more than sixty (60) days before the date of reinstatement.

LEGAL ACTION

No civil action shall be brought to recover on this Policy prior to the expiration of sixty (60) days after written proof of loss has been furnished in accordance with the requirements of this Policy. No action shall be brought after the expiration of three (3) years after the time written proof of loss is required to be furnished.

MILITARY SERVICE

If the Policyholder or any Covered Dependent under this Policy is a member of a reserve component of the armed forces of the United States, including the National Guard, and enters on a period of active duty, whether voluntary or involuntary, for a period not to exceed four (4) years, he/she may request that their coverage under this Policy be suspended for the duration of such service. VSP will refund any unearned premiums for the period of the suspension. To be reinstated, persons for whom suspension has been granted must submit an application and the required premium to VSP within sixty (60) days of termination of active duty. No limitations, conditions, exclusions or waiting periods will apply to persons re-applying for coverage under this section.

WHAT YOU NEED TO KNOW ABOUT USING YOUR PLAN BENEFITS

How to obtain services and materials under this Policy

When You or any of Your Covered Dependents want to receive Plan Benefits, contact a VSP Preferred Provider and make an appointment. Identify Yourself as a VSP insured and the VSP Preferred Provider will contact VSP to verify Your eligibility and obtain a Benefit Authorization. You should refer to the VSP List of VSP Preferred Provider provided to You with Your Policy for the names of the VSP Preferred Providers in Your area. You may also find the locations of VSP Preferred Providers by visiting VSP's web site at www.vsp.com or by calling VSP Customer Care toll-free at (800) 877-7195. Covered Persons are not limited to any geographic area when they wish to use Plan Benefits. They may select and utilize a VSP Preferred Provider anywhere throughout the United States.

Why a Benefit Authorization is required

A Benefit Authorization is VSP's way of confirming to You and to the VSP Preferred Provider that You and Your Covered Dependents are eligible to receive Plan Benefits. If VSP issues a Benefit Authorization, and You or a Covered Dependent receive Plan Benefits based on that Authorization before it expires, VSP will pay for those Plan Benefits even if this Policy is terminated. If You or a Covered Dependent receive Plan Benefits without a Benefit Authorization, You would be responsible for paying the full amount of the services and/or materials to the doctor. If You cancel and return this Policy within ten (10) days of purchase, You will be responsible for payment of all expenses incurred by You or Your Covered Dependents for services or materials, even if VSP had issued a Benefit Authorization.

Plan Benefits received from an Open Access Provider

You and Your Covered Dependents may receive Plan Benefits from any duly licensed optometrist or ophthalmologist. If You or Your Covered Dependents receive Plan Benefits from a Open Access Provider, You will be responsible for paying the provider's full fee and requesting reimbursement from VSP. The amount reimbursed to You by VSP may not be enough to cover the full amount of the Open Access Provider's fee. VSP Preferred Provider have agreed to accept discounted fees for their services and to not bill You for Plan Benefits payable under this Policy. Open Access Providers do not have such an agreement with VSP and can charge You their full, non-discounted fees. Also, VSP is unable to require Open Access Providers to adhere to VSP's quality standards. Plan Benefits received from an Open Access Provider will exhaust Covered Persons' Plan Benefits under this Policy. Covered Persons may not receive similar Plan Benefits from both a VSP Preferred Provider and an Open Access Provider. For example, if We pay for an exam from a VSP Preferred Provider, no Plan Benefits will be available for an exam from an Open Access Provider.

Emergency services

Plan Benefits provided by VSP under this Policy are for routine vision care services and materials only. This Policy does not cover treatment for medical conditions, whether due to an emergency or to any other cause. If You or any of Your Covered Dependents require medical treatment for any reason, You should contact a medical provider.

Your rights under this Policy if You have problems or questions

For any questions You may have regarding Your coverage under this Policy, please contact VSP's Customer Care Division at (800) 877-7195, Monday through Friday, from 9 AM to 10 PM, Eastern Time. Many of Your questions may also be answered by visiting VSP's web site at www.vsp.com.

If You should ever have a complaint about the quality of the care You receive from a VSP Preferred Provider, wish to request reconsideration from VSP of a claim denied for payment, or for any other matter, Your first step should be to contact VSP's Customer Care Division. If they are not able to resolve Your complaint, they will assist You in the procedures for pursuing a formal review of Your concerns by VSP. For additional information on this matter, please refer to the section of this Policy entitled "How VSP handles payment of claims".

HOW VSP HANDLES PAYMENT OF CLAIMS

Plan Benefits under this Policy are underwritten by Eastern Vision Service Plan, Inc., and are subject to preferred provider arrangements.

A preferred provider, referred to in this Policy as a "VSP Preferred Provider", is an optometrist or ophthalmologist that has signed a contract with VSP to provide Plan Benefits to Covered Persons under VSP policies. Each VSP Preferred Provider has agreed to accept discounted fees as payment from VSP in exchange for being listed in VSP's directory of its contracting doctors. A doctor who is not a preferred provider has no contractual arrangement with VSP and can charge whatever fee he or she desires. You can obtain more information regarding VSP's preferred providers, including a list of doctors in Your area, by visiting VSP's web site at www.vsp.com, by calling VSP's Customer Care Division at (800) 877-7195 or by writing to VSP at 3333 Quality Drive, Rancho Cordova, CA 95670.

Services from VSP Preferred Providers

When You or Your Covered Dependents receive services or materials from a VSP Preferred Provider, the doctor will submit any required claims directly to VSP. VSP will then pay the doctor for the Plan Benefits You or Your Covered Dependents received. You will never be required to file a claim with VSP. If VSP fails to pay the VSP Preferred Provider, neither You nor any of Your Covered Dependents will be held liable for any sums owed by VSP other than those not covered by VSP under this Policy.

Services from Open Access Providers

When You or Your Covered Dependents receive services or materials from an Open Access Provider, You will usually be required by the provider to pay the charges in full. You would then need to submit a claim or other "proof of loss" to VSP for reimbursement. You do not need a special claim form in order to request reimbursement from VSP. At a minimum, with any request for reimbursement, You should include Your name, Your Member Identification Number, the name of the patient, the patient's date of birth, the date the services were rendered and/or materials provided, the amounts You paid for each service or material and the doctor's name. Also, include copies of any invoices or receipts You received from the doctor for the services or materials. Mail Your request for reimbursement to VSP at the following address:

VSP
P. O. Box 997105
Sacramento, CA 95899-7105

You will be reimbursed for the services or materials based on the following Open Access Provider Schedule of Allowances:

Open Access Provider Schedule of Allowances	
Service or Material	Allowance
Examination	\$ []
Single Vision Lens (pair)	\$ []
Bifocal Lens (pair)	\$ []
Trifocal Lens (pair)	\$ []
Lenticular Lens (pair)	\$ []
Frame	\$ []
Contact Lens (pair)	\$ []

(This schedule is updated annually on January 1st of each year. When updated, allowances may change from those stated above.)

Proof of loss

For reimbursement of any loss under this Policy, proof of loss must be provided to VSP at the address stated above no more than one hundred and eighty (180) calendar days after the date of the loss. Failure to provide the proof within the required time does not invalidate or reduce any claim if it was not reasonably possible to give proof within the required time. In that case, the proof must be provided as soon as reasonably possible but not later than one year after the time proof is otherwise required, except in the event of legal incapacity.

Under the provisions of this Policy, "loss" means any amounts You paid for services or materials to an Open Access Provider. A "proof of loss" means a request for reimbursement as described in the "Services from Open Access providers" section, above. "Date of loss" means the date services were rendered or materials purchased.

Time of payment of claims

Requests for reimbursement payable under this Policy will be paid or denied within fifteen (15) calendar days of receipt of a request for reimbursement as described in the section entitled "Services from Open Access Providers", above. Requests for reimbursement received by VSP which are not complete may result in a delay in payment. If VSP requires additional information in order to process Your claim, We will contact You by telephone or in writing within fifteen (15) calendar days after receipt of Your request for reimbursement. Once all requested information has been received, We will pay or deny Your claim within fifteen (15) calendar days.

Payment of claims

If any amounts payable for Plan Benefits under this Policy shall be payable to the estate of the Policyholder, or to a Policyholder or beneficiary who is a minor or otherwise not competent to give a valid release, VSP may pay such amounts to any relative by blood or connection by marriage of the Policyholder or beneficiary who is deemed by VSP to be equitably entitled thereto. Any payment made by VSP in good faith pursuant to this provision shall fully discharge VSP to the extent of such payment.

Physical examinations

VSP at its own expense shall have the right and opportunity to examine the person of the Policyholder when and as often as it may reasonably be necessary during the pendency of a claim hereunder.

Other insurance coverage

VSP will not coordinate Plan Benefits payable under this Policy with any other private or government insurance plan, including any other plan underwritten by VSP.

Denial of payment for claims

If VSP denies a claim, You have the right to request a reconsideration of the denial. Also, if VSP denies Your request for reconsideration of the claim, You have the right to appeal this decision.

You may obtain more information concerning VSP's appeals process by contacting VSP's Customer Care Division at (800) 877-7195.

PLAN LIMITATIONS

[Insert if Member did not purchase Lens Options benefit:
